Local Firm Launches Drilling

New Oil, Gas Operation May Be County's Deepest

Down And Down And Down She'll Go

By LUCILLE HUSTON

Drilling operations at what is expected to be the deepest oil and gas well in Columbiana County have been launched by the Tri-State Producing Co. of East Liverpool.

William E. Blair, president of the company, says drilling is scheduled to a depth of approximately [illegible] feet into what is known as the Rose Run Formation of the Cambro-Ordovician Age Section and also as the Beekman Town Formation.

The well is located two miles west of Lisbon off Route 172 on the Perry W. Tritten farm in Center Township.

—:—

BLAIR SAID that the East Ohio Gas Co. has a well drilled to a depth of 8,295 feet on the Denny farm in Knox Township, which is operating on a full-time productive basis and represents the deepest producing well in Ohio to date.

This well has led to a flurry of leasing activity by many companies.

John Wargo, county recorder, says his office is busier than it ever has been recording oil and gas leases, with the Tri-State firm being the most active of the companies represented. Many of those leasing are based in other states.

Oil and gas activity is not new to Columbiana County, but exploratory wells drilled to this depth are. All crude oil and natural gas discovered in the county, starting with the turn of the century, has been found in shallower zones as a matter of economics.

The deeper the well is drilled, the more expensive it becomes. It is estimated that the cost to drill and complete a well to a depth of 10,000 feet will be $200,000, Blair said, although it is believed that the oil and gas potential contained in these deeper zones will justify such a cost.

—:—

IN ADDITION to the deeper zones, Tri-State is examining several shallower horizons which are known to contain commercial quantitites of oil and gas in other areas.

Formation samples will be taken from each such zone to provide immediate detection of oil and gas they might contain, Blair said. This information is then analyzed by a company field geologist, with the need for further testing at a given depth then determined.

Blair said this deeper exploration "could be the beginning of a new and exciting industry for Columbiana County."

The results from the Tritten well, which should be known in approximately 30 to 40 days, are attracting considerable statewide interest.

HHH Given First-Ballot Nomination

Tumbles McCarthy, McGovern; Will Be Nixon's Opponent

CHICAGO (AP) — Vice President Hubert H. Humphrey won the Democratic presidential nomination Wednesday night in a violence-threatened party convention deeply divided on Vietnam war policy and uncertain of its ticket's fate in November.

In command all the way, Humphrey trampled the challenges of peace candidates Sens. Eugene J. McCarthy and George S. McGovern to become the election opponent of Republican Richard M. Nixon.

Roll Call Totals For Nomination

CHICAGO (AP) — Roll call totals for candidates for the Democratic presidential nomination won by Vice President Hubert H. Humphrey:

Humphrey 1,761¾
Sen. Eugene J. McCarthy 601
Sen. George S. McGovern 146½
The Rev. Channing E. Phillips 67½
Gov. Dan K. Moore of North Carolina 17½
Sen. Edward M. Kennedy 12¾
Alabama football coach Paul (Bear) Bryant 1½
Georgia Democratic Chairman James H. Gray ½
George C. Wallace ½

The vice president's methodically obtained victory was greeted with mixed enthusiasm and apprehension by security-harrassed delegates to this most guarded and restricted of all national conventions.

The selection of Humphrey promised to lay before the nation's voters a choice between President Johnson's domestic and foreign policies—which the vice president has backed solidly as a member of the administration team—and a proposed Nixon program that varies more in details than essentials.

The final countdown, with 1,312 votes needed for the nomination was:

Humphrey 1,761 ¾.
McCarthy 601.
McGovern 146 ½.

The Rev. Channing Phillips of the District of Columbia, Negro who ran as a favorite son of black delegates, 67 ¼.

Humphrey prepared to complete the ticket today from an announced list that still included McCarthy as a possible runningmate despite the Minnesota senator's rejection of such suggestions.

Most speculation focused on either Sen. Edmund S. Muskie of Maine or Sargent Shriver, ambassador to France. The vice presidential choice is to be ratified at the convention's final session tonight, when President Johnson is expected to make his only appearance.

Johnson's prompt response to Humphrey's victory, in a statement released at his Texas ranch, was that the party had nominated "an excellent and an

3,000 Try To Rush Headquarters Of Democratic Party

CHICAGO (AP) — Some 3,000 antiwar demonstrators and Chicago police battled beneath the windows of the Conrad Hilton Hotel, the Democratic National Convention headquarters, Wednesday night as Hubert H. Humphrey was receiving the party's presidential nomination across town.

Early today, as Illinois National Guardsmen formed a protective circle around the Hilton, some 600 dissident convention delegates and youths marched down Michigan Avenue. They carried candles and sang softly while the antiwar protesters slept in a park across the street from the hotel.

The International Amphitheatre, site of the convention and five miles distant, remained secure behind police guards and a barbed wire fence.

Tear gas filtered throughout the nation's largest hotel Wednesday night, even reaching the 25th-floor suite of Humphrey and the room of Sen. Eugene J. McCarthy.

Police used clubs in subduing the demonstrators, most of them white youths, some of them bearded and sandaled, some clean-cut.

Police arrested 267 youths. At least 300 demonstraters were injured, most of them from the policemen's clubs as the youths surged into police lines and attempted to storm the hotel.

Search Pressed For Envoy Killer

GUATEMALA (AP) — Guatemalan authorities pressed the hunt today for the killers of U.S. Ambassador John Gordon Mein, but there was no word of progress.

The assassins machine-gunned Mein Wednesday afternoon after boxing in his limousine on a main street of Guatemala City. The 54-year-old career diplomat was cut down as he tried to escape.

In Washington, a State Department spokesman said President Johnson and Secretary of State Dean Rusk were "shocked and grieved" by the slaying believed to be the first assassination of a U.S. ambassador. Washington asked Guatemala for a full investigation.

President Julio Cesar Mendez Montenegro declared a 30-day state of siege and proclaimed

Viet Plank Beaten, But Vote Displays Anti-War Support

CHICAGO (AP) — In spite of the defeat of a Vietnam platform plank opposed by Vice President Hubert H. Humphrey, the Democratic party is far from united on its war policy.

The vote Wednesday at the Democratic National Convention was 1,567 ¾ to 1,041 ¼ to defeat a minority report from the Platform Committee calling for an immediate halt in bombing of North Vietnam.

This constituted a strong margin of victory for the Humphrey-position calling for conditions before halting the bombing or otherwise de-escalating the war. But the vote also demonstrated the large support of the antiwar forces at the convention and presumably in the party.

Moreover, the delegates favoring the bombing halt now demonstrated in defeat the emotional charge of their position.

Joined by recruits from the galleries, they staged a folk-singing, snake-dancing demonstration on the convention floor. State standards were draped black and one file of demonstrators carried a long crepe streamer. Folk singer Theodore Bikel of the New York delegation led a rendition of "We Shall Overcome" and marchers held hands high, giving the victory sign.

One of the few Humphrey delegates who also favored the

Girl Leaves For Brazil In Student Plan

Leslie Simmen, 17, daughter of Mr. and Mrs. Fred Simmen of Oakmont Ave., a Beaver Local High School senior, left today for Brazil where she will be a Rotary exchange student for a year.

She will be sponsored by the Cataquases Rotary Club in Brazil. Her parents drove her ot Kennedy Airport in New York where she will board a plane for Rio De Janiro International Airport. She will be met there by Rotary representatives of Cataquases.

Leslie will attend Colegio Estadual in Cataquases. The school year there runs from August to August of the following year, with summer vacation in December, January and February. She has had three years of French and is "boning up" on her Portuguese, the language that is spoken in her "new" home.

City Schools Will Not Open Until Sept. 9

Because of last - minute delays resulting from the recent strike of custodians, the opening of the fall term in the East Liverpool school system has been rescheduled for Sept. 9.

Supt. Paul Blair made the announcement, "with regret," late this morning. The schools were to have opened next Tuesday.

Blair pointed out the action was made necessary because "construction was held up and some furniture and other equipment for the various classrooms will not be received on time."

The superintendent pointed out that re-routing of shipments of the material was necessitated because of the delay brought on by the recent dispute.

Blair said the teachers' meeting has been reset for Sept. 6 at 9 a.m. at Westgate Auditorium.

The opening football game the night of Sept. 6 against Cleveland West will be played as scheduled, Blair said.

Friday Parade Will Open Wellsville Jaycee Events

A parade Friday night at 7 will kick off a weekend of activities to be sponsored at Wellsville by the Jaycee chapter there.

The four-day event will be climaxed with the crowning of "Miss Wellsville Jaycee of 1969" at approximately 9:15 Monday night.

The Wellsville High School band will be in the line of march along with high school bands from Southern and East Liverpool and 10 marching units from the area, including the state champion Vi-lar Kadettes.

East Liverpool's Jaycee clowns will take part in the parade along with Columbiana County's Junior Miss, Nancy Nesbitt of East Palestine; Miss Columbiana County, Sandy Ciotti of Salem; Miss Wellsville of 1968, Elka Katz, and the 13 contestants for Miss Wellsville Jaycee of 1969. The Legion Honor Guard also will march. Other units still are welcome, the Jaycees said.

The parade will form at 4th and Main Sts. and proceed to Nicholson Field, where an evening's entertainment is being planned.

Marching units will present exhibitions and a "Meet the Tigers" program will be held, with the football players and coaches being introduced.

More exhibitions will follow and Miss Wellsville of 1968 and the contestants for 1969 will be introduced. Parade winners will be announced.

On Saturday morning, the Wellsville football squad will hold a scrimmage open to the public.

Sunday's activities will begin with the Jaycees attending the church of their choice.

There will be a band concert

Confiscated Weapons Are Shown At Pen

COLUMBUS, Ohio (AP) — "This shows that the force wasn't really all on one side," said Ohio Penitentiary Warden Harold Cardwell, who displayed about 400 homemade weapons confiscated from inmates.

"These weapons are just as dangerous as shotguns," Cardwell added Wednesday, while showing newsmen the knives, steel pipes, hammers, fire bombs and a homemade gun found at the prison since last week's rebellion that claimed the lives of five inmates.

Cardwell's comment about force apparently was directed at critics who claimed authorities were too brutal when they stormed into the prison and rescued nine guards being held hostage.

The search for weapons was the first major operation ordered by Cardwell, a former highway patrol major, since he took over as warden last Saturday.

At the news conference Wednesday, Cardwell escorted reporters to a section of the 134-year-old prison and showed them the contraband weapons.

They were seized in the search that began Monday. Many of the weapons were taken from hiding places in the A and B cellblocks, the hub of last week's rebellion.

The major said every inch of the prison is being searched.

One large cache of weapons was found beneath the bleachers at the prison's baseball diamond. A mine detector on loan from the National Guard was used in the search.

A small number of National Guard troops and highway patrolmen remains on duty within the walls.

Cardwell reiterated that his policy as warden will be "firm but fair."

He added that the inmates' "demeanor has been very good snce I've been here."

England's Queen Mary I was called "Bloody Mary" because of the religious persecutions that occurred during her reign.

Confiscated Weapons Are Shown At Pen

COLUMBUS, Ohio (AP) — "This shows that the force wasn't really all on one side," said Ohio Penitentiary Warden Harold Cardwell, who displayed about 400 homemade weapons confiscated from inmates.

"These weapons are just as dangerous as shotguns," Cardwell added Wednesday, while showing newsmen the knives, steel pipes, hammers, fire bombs and a homemade gun found at the prison since last week's rebellion that claimed the lives of five inmates.

Cardwell's comment about force apparently was directed at critics who claimed authorities were too brutal when they stormed into the prison and rescued nine guards being held hostage.

The search for weapons was the first major operation ordered by Cardwell, a former highway patrol major, since he took over as warden last Saturday.

At the news conference Wednesday, Cardwell escorted reporters to a section of the 134-year - old prison and showed them the contraband weapons.

They were seized in the search that began Monday. Many of the weapons were taken from hiding places in the A and B cellblocks, the hub of last week's rebellion.

The major said every inch of the prison is being searched.

One large cache of weapons was found beneath the bleachers at the prison's baseball diamond. A mine detector on loan from the National Guard was used in the search.

A small number of National Guard troops and highway patrolmen remains on duty within the walls.

Cardwell reiterated that his policy as warden will be "firm but fair."

He added that the inmates' demeanor has been very good since I've been here."

England's Queen Mary I was called "Bloody Mary" because of the religious persecutions that occurred during her reign.

Dissident Delegates Plan Chicago March

CHICAGO (AP) — Dissident delegates proposed a march on the Democratic National Convention hall tonight after bloody clashes between police and anti war demonstrators on the previous night.

Donald O. Peterson, chairman of the Wisconsin delegation that backed war critic Sen. Eugene J. McCarthy, said the suggested march on the convention amphitheatre on the South Side tonight would test "the openness of the city of Chicago."

Police have sealed off the area around the amphitheatre from protesters and kept the demonstrations contained in the downtown area five miles away.

In Defeat Of Minority Viet Plank

'We Changed Foreign Policy,' Gilligan Claims

CHICAGO (AP) — "We changed the foreign policy of the United States' " says John J. Gilligan. "It will never be the same."

Gilligan, Ohio Democratic candidate for the U.S. Senate, made the claim Wednesday even though the Democratic National Convention rejected a minority Vietnam platform plank calling for an unconditional halt to the bombing of North Vietnam.

Gilligan, who played a key role in drafting the minority plank, said he will work for the man he and a convention majority voted for as the party's presidential nominee — Vice President Hubert H. Humphrey.

But he warned he would at the same time conduct his own Senate campaign "the way I started out—to bring about an end of the Vietnam War."

The Ohio delegation's vote went pretty much as expected as Humphrey swept to an easy victory over Sens. Eugene J. McCarthy and George S. McGovern.

Humphrey got 94 votes, McCarthy 18, McGovern two and Sen. Edward M. Kennedy of Massachusetts one.

The sole Kennedy vote was cast by William J. Kelly of Fremont, who participated in the "draft Kennedy" move before it fizzled out.

Gilligan, who had favored McCarthy and McGovern because of their stands on Vietnam, indicated he voted for Humphrey after it became apparent the vice president had the nomination locked up.

Following debate on the Vietnam plank, Ohio cast 67 votes against the minority report, with 48 voting in favor of the administration - backed Vietnam platform plank.

Gilligan said, however, he was pleased the minority report got 40 per cent of the vote.

"The President put his prestige on the line and just barely got away with it," Gilligan said referring to reported administration efforts to defeat the minority plank.

Gilligan participated in the debate. He told the convention, "We have not only devastated Vietnam but we have distorted our own image of America. We went there to help, but remained to destroy. We wanted the people of Vietnam to live in freedom, now our concern is that they be able to live at all."

William A. LaVelle of Athens, said Gilligan's stand will help him in Ohio. LaVelle said the Vietnam war "has been bungled one way or another for years and has already hurt the (Democratic) party."

Rep. Wayne Hays of Ohio spoke to the convention in support of the majority report.

Hays said: "A minority of a minority among us would substitute anarchism for ambition, beards for brains. They want 'pot' instead of patriotism, sideburns instead of solutions and slogans instead of social reforms."

LBJ Likely To Appear At Convention

AUSTIN, Tex. (AP) — President Johnson, applauding the convention that endorsed his Vietnam war policy and nominated his vice president, is thought likely to appear at the convention tonight to anoint the Democratic ticket.

In keeping with Johnson's preference for secrecy, there was no official advance word on any plans to attend the Democratic National Convention in Chicago.

But the President discarded the cloak of impartiality he's worn, sometimes restively, the past few weeks and commended the nomination of Hubert H. Humphrey as the party's standard-bearer.

"Now that the party has nominated an excellent and an especially well-qualified candidate for president, President Johnson said that all Democrats will unite behind him and move forward to victory in the election," said press secretary George Christian at the Texas White House.

Christian said Johnson called Humphrey to offer congratulations as soon as the President watched the vice president get the nomination on television.

Johnson's statement noted "all viewpoints have been expressed at the convention."

Johnson didn't refer to the Vietnam platform plank considered a victory for his administration. But on his 60th birthday Tuesday he had said he hoped the positions of the major parties on the war "will not be too divergent."

That way, he explained, the world won't have to wait until November to find out America's course in Vietnam.

Before the nominating speeches began Wednesday in Chicago, delegates heard Johnson's telegram reaffirming he will not run for re-election.

Champions On And Off The Field

The Colt League All-Stars who participated in the recent "World Series" at Riverside, Calif., were champions both on and off the field.

A letter received by Don Smith, an official of the local league, from William R. Simmons, chairman of the series, has nothing but praise for the East Liverpool representatives. He writes:

"Words cannot express our thanks to you, David Grimm, William Smith and your Colt League boys who conducted themselves as true champions and gentlemen in every way. Their actions both at the university dormitory and on the field during the series were of the highest caliber.

"This was not only my observation, but numerous people of the city of Riverside, as well as all of the series committee, have expressed most favorable comments regarding your group. Not only is this a reflection of their home, but also the type of leadership they had while in Riverside.

"It was a real pleasure to host such a fine group of boys and adults, and you may be assured that East Liverpool could not have been more highly represented . . ."

With youth of the nation — largely because of thoughtless minorities — too often receiving a collective black eye, it is more than encouraging to hear praise such as that above which is deserved by the great majority.

The community's thanks again goes to the All-Stars for a job well done in every phase of their athletic participation.

Smaller, Smaller

Almost daily The Review presents local and area happenings which continue to bring home forcefully the "One World" in which we live.

There's Leslie Simmen, who left today for Brazil under a student exchange program; there is Yuko Takebayashi, who will reside in East Liverpool for a year under a similar exchange program; there's Taiki Osaka, who visited here during a U.S. tour preparatory to returning to his native Japan; there are the Columbiana County residents who left Tuesday on a three-week tour of European farm areas in the "People-to-People" goodwill endeavor.

And there are many more "exchanges" which have added emphasis to the trend.

And a healthy trend it is. How better to cement friendly relations among nations than to get to know each other from firsthand observation?

Czechs Will Make Decision

Public acceptance or rejection of compromise conditions is the key to the fate of Czechoslovakia.

When Alexander Dubcek, Communist party first secretary, tried to communicate the Moscow message to his countrymen in an emotional address, it was a desperate attempt to get across his own strategy without provoking the Soviet Union.

The Czech leader, with his small country at the mercy of invading troops, has been trying to buy time. He knows the Czechoslovaks are not going to forget their first taste of real freedom, even if the government has to ease off on its liberalizing temporarily.

HE IS PLEADING with his fellow citizens to give it a try — realizing full well the Russian desire for domination has not disappeared — to avoid further Soviet bloc action that would impose additional restrictions and diminish progress already won.

Observers of this life and death drama, though their sympathies are with the Czechoslovaks, can readily see the precariousness of the Czech position.

Having sampled some of the fruits of freedom, the Czechs don't want to backtrack at all. Signs of this mood are being manifested in several ways.

The Czechoslovak National Assembly has approved a resolution condemning the Soviet invasion and demanding a specific deadline for withdrawal of all occupation troops.

The assembly is refusing to ratify the Moscow agreement and staying underground.

Underground newspapers and radios are exhorting Czechs to continue their program of passive resistance and support reformists determined to follow the road of democratization — regardless of consequences.

Some students have become disenchanted with the Dubcek policy and are demanding a hard-line attitude, free of any hint of compromise.

THE PRESENCE of Soviet hardware and 200,000 troops cannot be shrugged off but it appears at least a large segment of the Czech population is willing to take a chance on a blood bath rather than knuckle under.

It could be the Czechs, master of subtle warfare, are squeezing the last advantage they can get out of the situation, but will stop short of provoking military action.

Whatever the outcome, Russia, with all its mighty armor, is not the key factor at this point — it is the Czechoslovak attitude that will determine the next chapter in the crisis story.

Good Deed

We join wholeheartedly in Mayor Willshaw's words of commendation for the Boy Scouts who volunteered to help rid three of the city's streets of unsightly weeds.

As the mayor so aptly expressed it: "If all our citizens had the same civic spirit, East Liverpool could take on a bright new face."

The scouts have performed another "good deed," one of many over the years on behalf of civic endeavors.

Timely Quotes

A nation which permitted the lynching of more than 4,500 people, most of them Negroes, between 1882 and 1930, can ill afford to engage in summary capital punishment without trial in our turbulent times.

—Attorney General Ramsey Clark, attacking "loose talk of shooting looters."

We must persuade, when many no longer want to listen, and we must act, when many have lost faith in our action.

—William T. Gossett of Detroit, president-elect of the American Bar Assn., stating that lawyers must persuade the restless and deprived to work for change through lawful means.

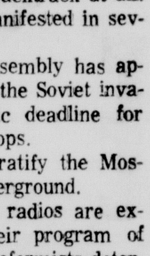

Our present predominant response which considers the students as the enemy, exhorts them to behave and then resorts to force, is in fact promoting the very communism and anarchy we profess to abhor.

—Harris Wofford Jr., president of State University College at Old Westbury, N.Y., urging peaceful response to student agitation.

Battle-Scarred

By Art Buchwald

CHICAGO — A group of battle-hardened veterans who fought at the national convention in Chicago have decided to band together to form a new organization called the Veterans of Democratic Wars.

Art Buchwald

The commander of the VDW said, "We want to perpetuate the spirit of the fighting men and women who came to Chicago and will soon be returning to civilian life. These men and women deserve their nation's gratitude and we are going to see that what they did in Chicago will not be forgotten after all the welcome-home parades have been held, and all the confetti has been thrown."

"What will you demand?" I asked.

"We want anyone who was accredited to the Democratic National Convention, either as a delegate or a newspaperman, to be given the same privileges as veterans of other American wars. This would include the GI Bill of Rights, veterans' housing and free hospital and medical care.

"ALSO WE ARE DEMANDING that bonuses be given to those who fought so valiantly to get into the Conrad Hilton hotel and the stockyards during the last four days."

"I can't see how the country could refuse you," I said.

"The VDW," the commander said, "will demand that any Democrat who had to leave his job to come to Chicago be rehired at no loss of pay or seniority."

"There's nothing unreasonable about that."

"And we will dedicate ourselves to seeing that this will be the convention to end all conventions, and we pray, because of what we did here this week, our children will never have to go to another Democratic political convention again."

I wiped away a tear.

"WE ALSO PLAN to honor the many heroes who sacrificed so much so that we might nominate a Democratic candidate for president of the United States."

"Who are they?" I asked.

"There is Sam Morgenthaler, a delegate from California, who singlehandedly, and without thinking of his own safety, tried to park his car at the stockyards in a space reserved for Mayor Richard J. Daley's water commissioner."

"That really must have taken guts," I said.

"His widow said Sam was that kind of guy. And we're also honoring Eldridge Carbuncle, a delegate from Rhode Island, who, knowing that the odds were 100 to 1, still tried to get his wife into the convention hall without a ticket."

"WHAT DID HE DO?"

"He threw his body across the barbed wire fence and she walked over him. Unfortunately Carbuncle was caught in a beam of light from one of the towers, and he never had a chance."

The commander of the VDS said, "Our highest award will go to Roger Klunstadt, a young page to the Alaskan delegation, who volunteered to get through the lines and bring back coffee for the delegation.

"He was caught and tortured by security forces, but he still refused to tell them how many coffees he had been ordered to bring back with sugar and how many with cream."

Retreat From Chicago

VICTOR RIESEL

Bliss Aims At The Big Cities

CHICAGO: This is the theater of the absurd. This is the mass retreat from real-pllitic. Democratic professionals who should know better, have gone through ancient convention rituals, without realizing that they finally have been blitzed right in their own big cities by Richard Nixon's newest political weaponry — a network of big megalopolis machines now silently set to challenge all the Richard Daleys, all the old line bosses of the land.

Victor Riesel

While the spotlights have been on Kennedy and McCarthy jumpers and squealers and Humphrey touters and tooters, leaders of convention delegation after delegation have moaned privately over the collapse of their state and city machines ignored by the distracted Lyndon Johnson during his years of travail and torture. It's a city gap which only the unified labor coalition can fill.

They'll have to move fast. Few in the Democratic-labor coalition have paid any attention to the small Republican hospitality room at the cavernous Hilton. Few even noted that a Nixon-for-president headquarters opened over on Madison Street with the usual status symbol, a rock and roll band.

But the coalition should have heeded these few signs. National Republican Chairman Ray Bliss does not intend to lose Chicago, or St. Louis or any other big city by as many ballots, lost, strayed or stolen from Dick Nixon in '60.

Quietly, Ray Bliss has spent over $1 million in the past two years on his "big city politics program." With no bugle-ing he has run over 500 big city planning conferences since he took over the G.O.P. National Committee on April 1, 1965.

WHEN RAY BLISS became chairman, one of his predecessors, Sen. Thruston Morton told him after the 1964 defeat, "We'll have to look in the penitentiaries for some one silly enough to run on our ticket." Bliss decided to retake the big cities from the Democratic-labor coalition in order to remake the Republican Party.

At that doleful moment, Bliss discovered that fully 50,000 precincts had been unmanned by Republicans back in 1960 and perhaps more in 1964.

In this city alone, Bliss' people report, there were 1800 such precincts where no working Republican could be found.

Thus, when Dick Nixon came to the city line, Chicago beat him by so heavy a vote that he lost the state by some 9,000 tallies out of almost 5 million ballots cast in the state.

Now Dick Nixon's law partner, Leonard Garment — who has been almost lasciviously abused by some McCarthyite Negro spokesman — has been spending time here to make certain that all the precincts are manned and not lost by default.

This is the story, too, in such metropolitan areas as in Detroit, Philadelphia, New York, Northern Jersey and Missouri, where, in 1960, Dick Nixon was winning until he came to the St. Louis line. When that count was over, he lost the state by 11,000 votes.

Now the Republican big city machine is in high gear. It's the Democratic apparatus which is creaking, cracking and splintering.

It's all a result of six years of planning by Bliss. The blueprint is in a document submitted to former G.O.P. Chairman William Miller on Jan. 2, 1962, known as the "Report on Big City Politics" It lay deep in dust until Bliss took over.

FEW IF ANY of the Democratic-labor coalition strategists here have seen a copy. Yet it will Bliss-krieg the Democratic presidential nominee harder than anything the Republican have devised since Theodore Roosevelt.

To understand the document's impact, it needs to be detailedly studied. The liberal-labor Democratic coalition no longer can take for granted that it can swing black votes, or labor votes, or middle class votes or ethic and "nationalities" votes to carry the vast megalopolises as it has in so many national elections.

The coalition just can't count on a solid black vote. The blacks are in revolt. They will splinter. They will go to the tiny parties, the fourth and fifth parties virtually everybody is overlooking. Or millions of Negroes simply will stay home.

Certainly, after my walks and talks through the ghettos of New York, Detroit, Chicago, and points west, I can report that all the Richard Daleys and all the Hubert Humphreys cannot put this black vote together again.

The black feeling is they don't have to vote for anybody in the "white power structure." They know they — by bloc voting in swing cities inside swing states — can make a president. But they can break one, too. Their spokesmen say Central city rioting broke President Johnson — and they can wait and break another chief executive if they don't get what they want.

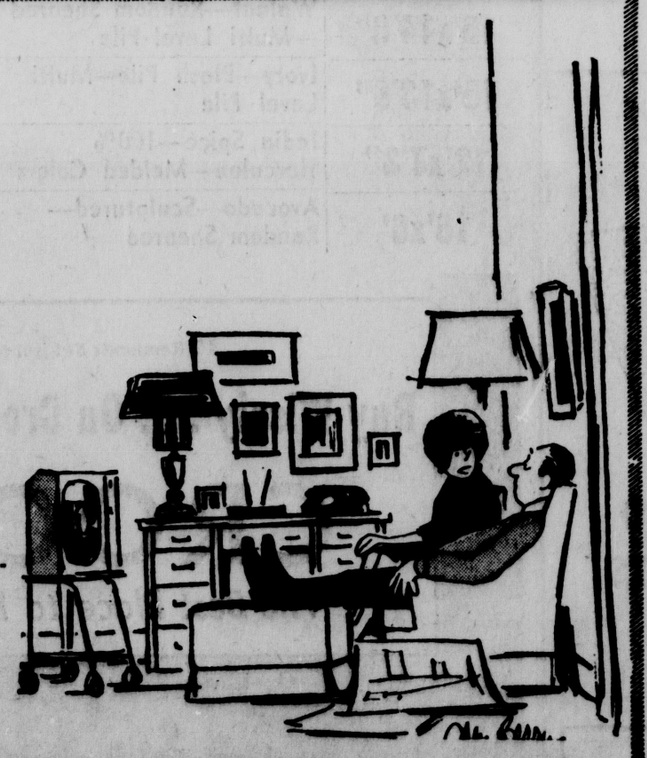

OUT OF THIS UNREST, the Nixon-Bliss strategists believe they can draw enough votes for the Republican ticket to neutralize the Democrats in the big cities. The G.O.P. counts on Dick Nixon's program of black capitalism to cut into the Democratic coalition's ghetto votes.

Republican observers here point out that Barry Goldwater polled some seven per cent of the national black vote in 1964. Now, says Bliss, the Nixon ticket needs an additional eight or nine per cent of the ghetto ballots to win.

The Republicans believe they can.

Berry's World

"Wake up, and stop acting like a delegate!"

RAYMOND MOLEY

Parlor Game

For all and sundry hosts and hostesses who will need to relieve the boredom after their next dinner party, I suggest an amusing and noncontroversial parlor game. It has to do with politics, which everybody discovers once in four years.

It will save hot arguments about the question of whether anybody who is for law and order is a racist. Or whether this is a new or an old Nixon who was nominated by the Republicans. Or which of the two candidates for president will have the better television image.

You might start the game by giving the participants cards on which you have written the names of all the presidents who have been elected since 1860. Or, if you have plenty of guests and more time to play, the names of all the presidents beginning with George Washington.

THEN ASK THE PLAYERS to write on the back of each card the vice president who was elected with the president named on the other side. The game will start off with two vice presidents that everybody knows, Richard Nixon and Hubert Humphrey. But as the players move back through the years, the difficulties will mount. That is when you will hear many "ohs" and "ahs" from your guests.

If you really want to have a long game you could have cards with the names of the candidates for president who ran and lost.

Or you could change the game and write on the cards the names of the vice presidents who have been elected along with their ticket mate who served as president.

The moral of the game, if there be any moral in a game, will be the low percentage of true answers or any answers at all. Thus, there is revealed the fleeting fame that is accorded the people who ran for or were elected vice president.

It is a long list of forgotten people who had their moment of glory when they were nominated and, if elected, had "listening Senates to command" and who have since passed into oblivion. Such has been the fate of those many Americans who have stood as the saying goes "only one heartbeat from the presidency."

There are odd things about those people. They are supposed to be healthy specimens who stand by to take over when a president dies or is killed. But actually, their chance of life is less than the president with whom they have served.

Only four presidents have died in office: two, William Henry Harrison and Zachary Taylor, before Abraham Lincoln, and two since, Warren Harding and Franklin Roosevelt. Four have been assassinated, all since 1860. Assassination seems to be a mark of modern "civilization."

But seven vice presidents have died in office. None has been assassinated. Of course, nobody could ever conceive of killing poor Throttlebottom.

One might ask the guests whether any vice president has resigned. That was a question ascked on the old radio show, "The $64 Question." Not one of the listening audience had the answer. It was John C. Calhoun who in 1832 returned to the Senate.

Why were these people chosen to run? Until recent years thy wr chosn by party ladrs recent years they were chosen by party leaders after the business of nominating a presidential candidate was over. Perhaps, as is the case now, some were preferred by the presidential candidate.

Teddy Roosevelt was a rather reluctant choice in 1900 because the party bosses, led by New York's Tom Platt, wanted to get him out of New York. John Nance Garner was chosen in 1932 in a deal for his delegates from Texas and California. John Bricker was chosen in 1944 by an enthusistic convention. Thomas Dewey persuaded Earl Warren to run in 1948.

And, incidentally, I remind the host or hostess who tries this game that the necessary facts are on page 208 of the 1968 World Almanac.

Through The Years

THIRTY YEARS AGO — Mrs. Jane Neal and son of Thompson Ave. left for Los Angeles, where they planned to spend the winter.

John P. Stephenson, Republican nominee for state representative, addressed the Rotary Club at the Travelers Hotel. Ray Birch was program chairman.

TWENTY YEARS AGO — Mr. and Mrs. Charles Kidd Sr. of St. George St. arrived in Glasgow, Scotland, by plane, for a month's visit.

The Klondyke team won the City Playground Volleyball League championship for the fourth consecutive year and Mrs. Nessie Dunlop, supervisor, accepted the trophy on behalf of the team.

John W. Walker of East Liverpool, a veterinary student, was listed on the honor roll at Ohio State University in the College of Veterinary Medicine.

TEN YEARS AGO — Ray Adam, superintendent of the Columbiana County Home for 17 years, resigned.

James W. Mitchell, a 24-year-old Beechwood veteran, was appointed operator at the city sewage treatment plant.

An estimated 120 women reported to Waterford Park seeking employment as mutuel clerks for the fall racing meet which was to begin for a 48-day program.

Democratic professionals who should know better, have gone through ancient convention rituals, without realizing that they finally have been blitzed right in their own big cities by Richard Nixon's newest political weaponry — a network of big megalopolis machines now silently set to challenge all the Richard Daleys, all the old line bosses of the land.

Victor Riesel

While the spotlights have been on Kennedy and McCarthy jumpers and squealers and Humphrey touters and tooters, leaders of convention delegation after delegation have moaned privately over the collapse of their state and city machines ignored by the distracted Lyndon Johnson during his years of travail and torture. It's a city gap which only the unified labor coalition can fill.

They'll have to move fast. Few in the Democratic-labor coalition have paid any attention to the small Republican hospitality room at the cavernous Hilton. Few even noted that a Nixon-for-president headquarters opened over on Madison Street with the usual status symbol, a rock and roll band.

But the coalition should have heeded these few signs. National Republican Chairman Ray Bliss does not intend to lose Chicago, or St. Louis or any other big city by as many ballots, lost, strayed or stolen from Dick Nixon in '60.

Quietly, Ray Bliss has spent over $1 million in the past two years on his "big city politics program." With no bugle-ing he has run over 500 big city planning conferences since he took over the G.O.P. National Committee on April 1, 1965.

WHEN RAY BLISS became chairman, one of his predecessors, Sen. Thruston Morton told him after the 1964 defeat, "We'll have to look in the penitentiaries for some one silly enough to run on our ticket." Bliss decided to retake the big cities from the Democratic-labor coalition in order to remake the Republican Party.

At that doleful moment, Bliss discovered that fully 50,000 precincts had been unmanned by Republicans back in 1960 and perhaps more in 1964.

In this city alone, Bliss' people report, there were 1800 such precincts where no working Republican could be found.

Thus, when Dick Nixon came to the city line, Chicago beat him by so heavy a vote that he lost the state by some 9,000 tallies out of almost 5 million ballots cast in the state.

Now Dick Nixon's law partner, Leonard Garment — who has been almost lasciviously abused by some McCarthyite Negro spokesman — has been spending time here to make certain that all the precincts are manned and not lost by default.

This is the story, too, in such metropolitan areas as in Detroit, Philadelphia, New York, Northern Jersey and Missouri, where, in 1960, Dick Nixon was winning until he came to the St. Louis line. When that count was over, he lost the state by 11,000 votes.

Now the Republican big city machine is in high gear. It's the Democratic apparatus which is creaking, cracking and splintering.

It's all a result of six years of planning by Bliss. The blueprint is in a document submitted to former G.O.P. Chairman William Miller on Jan. 2, 1962, known as the "Report on Big City Politics" It lay deep in dust until Bliss took over.

FEW IF ANY of the Democratic-labor coalition strategists here have seen a copy. Yet it will Bliss-krieg the Democratic presidential nominee harder than anything the Republican have devised since Theodore Roosevelt.

To understand the document's impact, it needs to be detailedly studied. The liberal-labor Democratic coalition no longer can take for granted that it can swing black votes, or labor votes, or middle class votes or ethic and "nationalities" votes to carry the vast megalopolises as it has in so many national elections.

The coalition just can't count on a solid black vote. The blacks are in revolt. They will splinter. They will go to the tiny parties, the fourth and fifth parties virtually everybody is overlooking. Or millions of Negroes simply will stay home.

Certainly, after my walks and talks through the ghettos of New York, Detroit, Chicago, and points west, I can report that all the Richard Daleys and all the Hubert Humphreys cannot put this black vote together again.

The black feeling is they don't have to vote for anybody in the "white power structure." They know they — by bloc voting in swing cities inside swing states — can make a president. But they can break one, too. Their spokesmen say Central city rioting broke President Johnson — and they can wait and break another chief executive if they don't get what they want.

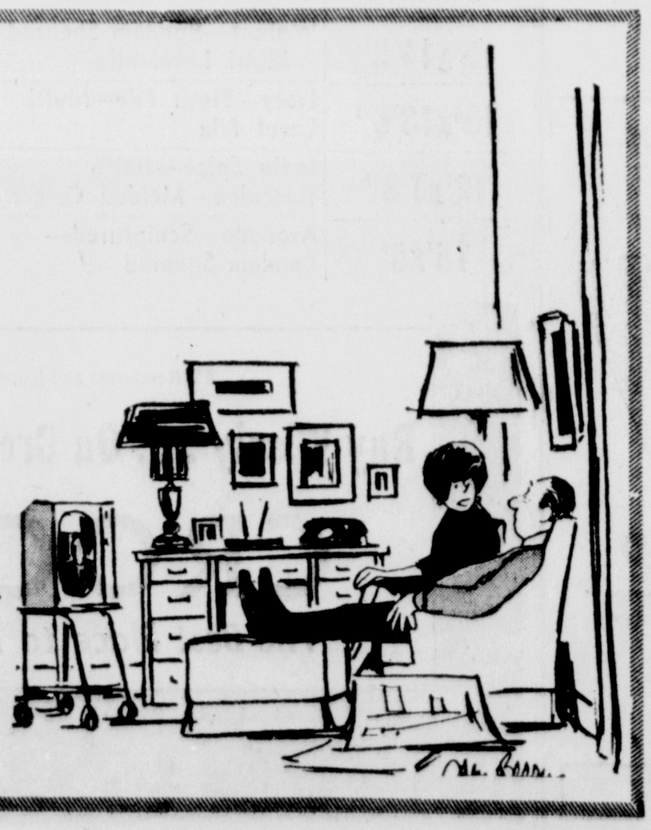

OUT OF THIS UNREST, the Nixon-Bliss strategists believe they can draw enough votes for the Republican ticket to neutralize the Democrats in the big cities. The G.O.P. counts on Dick Nixon's program of black capitalism to cut into the Democratic coalition's ghetto votes.

Republican observers here point out that Barry Goldwater polled some seven per cent of the national black vote in 1964. Now, says Bliss, the Nixon ticket needs an additional eight or nine per cent of the ghetto ballots to win.

The Republicans believe they can.

Parlor Game

For all and sundry hosts and hostesses who will need to relieve the boredom after their next dinner party, I suggest an amusing and noncontroversial parlor game. It has to do with politics, which everybody discovers once in four years.

It will save hot arguments about the question of whether anybody who is for law and order is a racist. Or whether this is a new or an old Nixon who was nominated by the Republicans. Or which of the two candidates for president will have the better television image.

You might start the game by giving the participants cards on which you have written the names of all the presidents who have been elected since 1860. Or, if you have plenty of guests and more time to play, the names of all the presidents beginning with George Washington.

THEN ASK THE PLAYERS to write on the back of each card the vice president who was elected with the president named on the other side. The game will start off with two vice presidents that everybody knows, Richard Nixon and Hubert Humphrey. But as the players move back through the years, the difficulties will mount. That is when you will hear many "ohs" and "ahs" from your guests.

If you really want to have a long game you could have cards with the names of the candidates for president who ran and lost.

Or you could change the game and write on the cards the names of the vice presidents who have been elected along with their ticket mate who served as president.

The moral of the game, if there be any moral in a game, will be the low percentage of true answers or any answers at all. Thus, there is revealed the fleeting fame that is accorded the people who ran for or were elected vice president.

It is a long list of forgotten people who had their moment of glory when they were nominated and, if elected, had "listening Senates to command" and who have since passed into oblivion. Such has been the fate of those many Americans who have stood as the saying goes "only one heartbeat from the presidency."

There are odd things about those people. They are supposed to be healthy specimens who stand by to take over when a president dies or is killed. But actually, their chance of life is less than the president with whom they have served.

Only four presidents have died in office: two, William Henry Harrison and Zachary Taylor, before Abraham Lincoln, and two since, Warren Harding and Franklin Roosevelt. Four have been assassinated, all since 1860. Assassination seems to be a mark of modern "civilization."

But seven vice presidents have died in office. None has been assassinated. Of course, nobody could ever conceive of killing poor Throttlebottom.

One might ask the guests whether any vice president has resigned. That was a question asked on the old radio show, "The $64 Question." Not one of the listening audience had the answer. It was John C. Calhoun who in 1832 returned to the Senate.

Why were these people chosen to run? Until recent years thy wr chosn by party ladrs recent years they were chosen by party leaders after the business of nominating a presidential candidate was over. Perhaps, as is the case now, some were preferred by the presidential candidate.

Teddy Roosevelt was a rather reluctant choice in 1900 because the party bosses, led by New York's Tom Platt, wanted to get him out of New York. John Nance Garner was chosen in 1932 in a deal for his delegates from Texas and California. John Bricker was chosen in 1944 by an enthusistic convention. Thomas Dewey persuaded Earl Warren to run in 1948.

And, incidentally, I remind the host or hostess who tries this game that the necessary facts are on page 208 of the 1968 World Almanac.

Through The Years

THIRTY YEARS AGO — Mrs. Jane Neal and son of Thompson Ave. left for Los Angeles, where they planned to spend the winter.

John P. Stephenson, Republican nominee for state representative, addressed the Rotary Club at the Travelers Hotel. Ray Birch was program chairman.

TWENTY YEARS AGO — Mr. and Mrs. Charles Kidd Sr. of St. George St. arrived in Glasgow, Scotland, by plane, for a month's visit.

The Klondyke team won the City Playground Volleyball League championship for the fourth consecutive year and Mrs. Nessie Dunlop, supervisor, accepted the trophy on behalf of the team.

John W. Walker of East Liverpool, a veterinary student, was listed on the honor roll at Ohio State University in the College of Veterinary Medicine.

TEN YEARS AGO — Ray Adam, superintendent of the Columbiana County Home for 17 years, resigned.

James W. Mitchell, a 24-year-old Beechwood veteran, was appointed operator at the city sewage treatment plant.

An estimated 120 women reported to Waterford Park seeking employment as mutuel clerks for the fall racing meet which was to begin for a 48-day program.

especially well-qualified candidate." He expressed hope that all Democrats would "unite behind him and move forward to victory in the election."

But the degree of unity remained in question. Although the nomination was made unanimous by motion of Illinois State Chairman James Ronan, neither McCarthy nor McGovern came before the convention in the usual custom to pledge active allegiance.

McCarthy telephoned his congratulations to Humphrey but told a news conference it is "still an open question" whether he will campaign for the vice president or even support the latter's presidential bid. He said he will not run as a separate party candidate.

"I think I lost because political procedures don't respond to the judgment of the people," McCarthy said, "But I look upon it as a temporary setback at most."

Deploring the violence when 3,000 antiwar demonstrators fought a bloody street battle in downtown Chicago with an equal number of police and guardsmen, he said the convention never should have been held in Chicago. "There were too many warnings against coming here," he said.

Humphrey told a postmidnight news conference the bloody confrontation put a bad mark "on what could have been a beautiful picture."

The nominee said, "My happiness has been mixed with sorrow. It always makes you feel badly when there is trouble."

The violent melee was centered outside the convention's headquarters hotel. Humphrey McCarthy and McGovern were all present. Tear gas filtered into Humphrey's 25th floor suite.

About 300 persons were injured as police used clubs to rout the protesters. At least 140 arrests were made.

The outbreak followed the convention's rejection of a peace plank that demanded a complete and conditional halt in all bombing of North Vietnam.

Humphrey's forces won a critical vote 1,567 ¾ to 1,041 ¼ to keep in the party platform a pro-administration plank that made a bombing halt contingent on a reciprocal response from Hanoi and the safety of U.S. troops in Suth Vietnam.

McGovern said that while he does not accept the Vietnam platform plank the convention adopted, he will support Humphrey in his own effort to get re-elected to the Senate.

Characteristically Humphrey leaped to his feet and clapped his hands joyfully when the votes of the Pennsylvania delegation put him over the top of the majority necessary for nomination. When a picture of his wife, Muriel, in convention hall, was flashed on the television set, he rushed up and kissed the screen.

"I feel like really jumping," he told supporters and newsmen who jammed his hotel suite at the moment of victory.

Humphrey received a call from Nixon congratulating him on his nomination victory and the two contenders chatted briefly about how proud they both were of their families.

The new Democratic nominee's first order of business was to choose a running mate. Among Humphrey associates the name of Muskie, chairman of the Democratic senatorial Campaign Committee, headed most lists.

Humphrey was pictured as having given up hope that McCarthy might be induced to take second place on the ticket.

Sen. Edward M. Kennedy of Massachusetts was said to have repeated in a telephone conversation with Humphrey that he would not accept a vice presidential nomination.

That left Shriver, a Kennedy brother-in-law, as the last possibility among the clan.

Friends launched a telephone campaign for former Gov. Terry Sanford of North Carolina. There was talk about Gov. Richard J. Hughes of New Jersey.

Mayor Joseph Alioto of San Francisco, being mentioned as a possible running mate, may have been rewarded for his support by the opportunity formally to present Humphrey's name to the convention as an "extraordinary man for an extraordinary responsibility."

Alioto urged the promotion of Humphrey "from the loyal member of the team to its captain."

The hall resounded with the longest and loudest applause at the mention of Humphrey's name in a convention which barred the usual silly season parade of adults waving signs, blowing whistles, ringing cowbells and prancing down crowded aisles to the off-beat notes of a blaring band.

Empty seats in the galleries —unheard of on nomination nights in past conventions— seemed to reflect the turmoil of the downown police battles with antiwar demonstrators.

Sen. Abraham A. Ribicoff of Connecticut, backing McGovern, led a convention assault on what he called the "Gestapo tactics" he charged Mayor Richard J. Daley of Chicago with employing in filling the streets and surrounding the convention hall with police and guardsmen.

Daley booed Ribicoff. Convention delegates booed Daley.

But long after the police clubs have been sheathed and tear gas cannisters have been returned to storage, the division in the party over how to end the Vietnam war promised to plague the Democrats throughout the campaign.

The 3-to-2 ratio by which the convention adopted a kind of no-surrender plank on the Vietnam war that was supported publicly by Humphrey gave some indication of the trouble the nominee may encounter in arousing enthusiastic support in some important states.

The Humphrey plank placed him alongside Nixon in rejecting any unconditional suspension of air strikes.

The antiwar bloc booed, hooted and chanted, "Stop the war" when its peace plank went down to defeat. Members of the New York delegation donned funeral black arm bands in protest. Soon other delegates converged about them, draping state standards with black ribbons.

If the delegation votes represented sentiment in their own states, Humphrey could expect internal party trouble on the war issue in California, Colorado, Iowa, Massachusetts, Michigan, Nebraska, New York, Oregon, South Dakota, Vermont and Wisconsin.

In defeat McCarthy had accomplished what he said was his chief objective when he sidled into the presidential nomination last November as a comparative unknown, without money, organization of influential backing.

His goal of bringing the Vietnam war issue before the people for debate was accomplished with a bang that rang through the convention's most acrimonious verbal clashes.

While there was the usual applause for Humphrey as "the next president," a considerable number of Democrats seemed not at all sure that he would be.

The prize was voted in an air of pessimism that has not prevailed since the 1956 nomination of Adlai E. Stevenson to oppose President Eisenhower.

Humphrey stands to lose some support to former Gov. George C. Wallace of Alabama in the industrial states among blue collar workers and union members—who fear their jobs and home values are threatened by Negroes—on whom the party has been able to count since the days of Franklin D. Roosevelt.

On the other hand, Wallace could cut into Nixon's potential support in the South and give the Democratic nominee less-than-majority state electoral victories that might have been denied Humphrey in a two-man race.

As the convention reached the voting stage the situation was such that it hardly seemed necessary for President Johnson to send a telegram saying that his March decision not to seek another term "was and is irrevocable..."

There was polite applause when Rep. Carl Albert of Oklahoma, the chairman, read the text of the telegram to delegates.

Kennedy earned future political credits with Humphrey by stamping out a desperation effort to draft him in the hope of stopping the vice president.

Loss Of $169 Seen In Entry

An intruder obtained a total of $169 and an expensive press camera in burglaries Wednesday night or early today in three business places occupying the same building in the 600 block of Broadway, police reported.

The burglar took $100 after forcing open a cash register in the Horsley Studio at 621 Broadway. Entering the McEwen Engraving Co. quarters in the rear of the same building, the intruder forced open a cabinet and took 50 in currency, $19 in silver dollars and the camera.

The studio is owned by Jack Horsley of Sunset Dr. and the engraving firm is operated by David McEwen of 1601 St. Clair Ave.

The burglar also entered a beauty salon operated by Mrs. Charlotte Fullerton on the second floor of the same building and ransacked the desks, but apparently took nothing, police said.

Entry was gained by forcing a door in Potters Alley on the north side of the building. The burglary was discovered at 6:23 this morning by Fred Burrows, the custodian. Officers said the building was entered sometime after 5:30 p.m. Wednesday. Patrolman James Buckley made the initial investigation. The detective bureau then took over the probe.

Violence

(Continued from Page 1)

guests—including Mrs. McCarthy—were virtual prisoners in the hotel. They were refused permission to leave by police as trash fires were set in Michigan Avenue just outside, police cars were stoned, and some hotel windows were broken by crowd pressure.

The estimated 3,000 protesters filled Michigan Avenue from sidewalk to sidewalk during the melee, blocking all traffic, taunting police with names, throwing an occasional rock or bottle, and refusing orders to disperse.

Police, after the original confrontation, beat and dragged the protesting youths into police vans.

Violence even invaded the hotel's red-carpeted lobby as police pursuing fleeing demonstrators fell upon an unidentified, long-haired newsman. He was beaten and dragged through the lobby door.

He was released at the insistence of two Columbia Broadcasting System executives, and taken to an aid station set up by supporters of McCarthy on the hotel's 15th floor.

Sidney Lens, a demonstration leader, said 15 of the injured remained at the hotel because "the cops are arresting anyone with a bandage."

McCarthy's 13-year-old daughter, Margaret, rolled bandages for a time, and McCarthy came down briefly to talk with several injured persons.

Much of the hours-long confrontation appeared to be a stand-off with a double line of police stretching from sidewalk to sidewalk and backed by a double line of rifle-carrying National Guardsmen facing an equal number of demonstrators who sat or stood in the street, milling and singing an occasional song.

But during several street-clearing rushes five and six policemen would fall upon a single demonstrator who had shouted an insult, club him, then drag the demonstrators across streets strewn with broken glass to the paddy wagons.

Photographers who tried to take pictures of these incidents were often threatened by groups of police who raised their clubs and shouted in unison, "Get out of here!" Several were arrested.

Police Supt. James B. Conlisk said, "The force used was the force necessary to repel the mob." The department said thousands of telephone calls from across the nation received since confrontations began Sunday have been 7 to 3 in favor of the police action.

The latest in what has become a nightly series of confrontations began in the early afternoon, at an antiwar rally which police said was attended by 7,000 persons.

An unidentified, long-haired person lowered one of Grant Park's American flags to half staff before four police rushed up. There was a brief scuffle, other demonstrators tried to snatch the prisoner away, rocks began to fly from the crowd, and in moments police were retreating from an advancing crowd.

Reinforcements quickly broke through the crowd's front ranks, and the rally continued after its leaders restored order. But leaders continued to prepare for a scheduled march to the convention site several miles away. Police had said it would not be permitted.

An estimated 3,000 police backed up by guardsmen halted the marchers a block from the park, and for more than an hour the line of march sat on the sidewalk, singing.

"We're stubborn," said David Dellinger, co-leader with Lens of the National Mobilization Committee to End the War in Vietnam, which sponsored the march. "We may be nonviolent but w're stubborn."

The demonstrators moved with little resistance when, toward 6 p.m., police ordered them to leave. But guardsmen blocking most park exits channeled them north, away from the Hilton, and into Michigan Avenue at the point where the Poor People Campaign's mule train was passing with police escort.

The demonstrators then formed a group that blocked half of the six-lane avenue, followed slowly behind the police and the six mules, and chanted antiwar, antipolice and antidraft slogans all the way, until they came to a double line of police directly in front of the Hilton.

They remained there, filling the intersection and shouting insults at police, until the first police charge drove them back. Four hours and many tense moments later, the five-block stretch of littered Michigan Avenue had been cleared.

Most demonstrators, however, retreated to a section of Grant Park directly across the street from the Hilton, where city officials said they could stay all night, as about 200 did Tuesday night.

at 7 p. m. on the platform at the rear of the post office building, with free refreshments.

On Monday, a baby contest will be held at the 17th St. playground. There will be categories for girls ages 1 to 3, boys 1 to 3, girls 3 to 5 and boys 3 to 5. Registration is scheduled for 12:30, with the contest starting at 1.

At approximately 3, the Wellsville Jaycees and their guests will hold an "eat-in" at 1701 Lincoln Ave. sponsored by wives of the members.

Girls who are contestants in the Miss Wellsville pageant will be interviewed at 7 p. m. at the auditorium. At 8, the preliminaries will start. Entertainment will be provided during the waiting period, with "Miss Wellsville Jaycee for 1969" to be crowned at 9:15.

Ralph Fusco, Wellsville Jaycee president said, "the Labor Day weekend activities are designed to help keep people off the highways."

William Telzrow is general chairman, Frank Verzella concert chairman, Delmar O'Hara, pageant chairman, Larry Myers and Frank Fusco, parade chairmen and Nunzio Lombardozzi master of ceremonies.

Anyone still interested in marching in the parade may contact Myers, Ralph or Frank Fusco.

three days of mourning. His decree expressed the "deep condoes of the government and people of Guatemala to the government and people of the United States."

Mendez in a statement to newsmen described the ambassador as a "sincere friend of Guatemala."

It was assumed that Mein was the victim of one of the extremist factions who have been warring in Guatemala for months. But there was no indication whether his assassins were from the ultraright or the ultraleft.

Embassy press attache Richard Knowles of Waterloo, Iowa, gave this account of the assassination:

Mein and his Guatemalan chauffeur were en route from the envoy's residence to the embassy when a car pulled in front of the limousine and a truck pulled up behind, preventing the ambassador's automobile from moving either way. Two men forced the chauffeur out of the limousine. Mein tried to flee, but a burst of machine-gun fire brought him down.

The attack occurred a few blocks from the spot where two American military men, Col. John Daniel Webber and Capt. Ernest A. Monrie, were slain in a similar attack last Jan. 16.

Mein was a veteran of diplomatic service in Europe, Asia and Latin America. He was named ambassador to Guatemala in 1965 after serving as deputy chief of mission in Rio de Janeiro. He leaves a widow and three children.

Mein was born in Cadiz, Ky., the son of a Baptist minister, the Rev. John C. Mein. When the future diplomat was a year old, his father went to Brazil as a missionary.

peace plank, Rep. Donald Fraser of Minnesota, said frankly, "I don't know what we do next."

He said Humphrey must make some move to reconcile the peace-now Democrats and added, "His vice presidential choice could be important."

Richard N. Goodwin, an aide to Sen. Eugene J. McCarthy who served as floor manager for the minority plank, told a news conference the statement the majority adopted was "politically disastrous."

He said, however, that he would vote for Humphrey rather than Republican Richard M. Nixon—"not with much enthusiasm, but I would vote for him."

Sen. George S. McGovern of South Dakota another contender for the presidential nomination and a strong supporter of the peace movement, also said he does not accept the plank adopted but would campaign for the party nominee.

McGovern said the pro-Humphrey plank has room for some interpretation and he hopes the nominee will use the leeway in the direction of peace.

The debate that led up to the emotion-packed roll call Wednesday reviewed the whole months-long controversy over Vietnam. Proponents of the minority plank argued the party should recognize a mistake was made and correct it. Opponents said adoption of the far-reaching peace plank, without the safeguards of the majority version, would be a disaster for all Southeast Asia.

Proponents said their version would free U.S. policy from dictation by the Saigon government; opponents said it would impose a coalition rule, including representation of the political arm of the Viet Cong, without giving the South Vietnamese a chance to choose in free elections.

Platform Chairman Rep. Hale Boggs unveiled an estimate by Gen. Creighton Abrams, U.S. commander in South Vietnam, for his final speech in support of the Humphrey plank approved by the committee.

Abrams told him, he said, that suspension of bombing would mean that the enemy could develop in the demilitarized zone a fivefold combat capacity within a week or 10 days.

Firemen Make Plans For October Auction

HIGHLANDTOWN — Plans for an auction Oct. 12 were discussed at the meeting of the Highlandtown Volunteer Fire Department Wednesday night at the station.

Ray Leatherberry, president, announced that the new truck is expected to arrive in about four weeks. The next meeting will be Sept. 11.

How Can I?

By ANNE ASHLEY

Q.—How can I remove marks on a painted wall caused by scratching matches?

A.—By rubbing over the area with a piece of cut lemon.

Q. — Can you suggest a tip for the easier oiling of hard-to-reach holes in sewing machines, electric fans and the like?

A. — You might try using a length of wire about six inches long, such as a straightened-out hairpin, and insert the tip of this into the oil hole. Then pour a drop of oil on the wire and allow it to run down the wire into the hole. This easy method avoids much of the usual waste and mess.

Q. — How can I test the colors of paints in order to determine how they will eventually look on the walls of a room?

A. — By dipping clean white blotters into your paint. The dry paint on blotters will be the same color as the walls will be when they are dry.

Q. — How can I restore whiteness to some discolored handkerchiefs?

A. — By immersing them in cold water to which you've added a pinch of cream of tartar.

Q. — Sometimes my husband's shirts return from the laundry and the collars have rough edges that irritate his neck. Is there any way to remedy this?

A. — Try rubbing the top edge of these collars with paraffin wax. . .and this will eliminate the hurt.

Q. — How can I serve whiter-looking cauliflower?

A. — By adding a piece of lemon during the cooking process. And cook the cauliflower only until tender. Overcooking tends to discolor it.

At Meeting Wednesday

Negroes Request City Hall Posts

Two representatives of Citizens for Total Action asked municipal officials Wednesday to hire at least three Negroes for office jobs as a way of "changing the complexion of City Hall" and giving the minority group participation in their municipal government.

Ted Spencer of 304 Center St., the principal spokesman, and Earl Taylor of 703 Oakland Ave. met with Mayor George E. Willshaw, Safety - Service Director Robert E. Vodrey and Treasurer Bert A. Dawson.

—:—

NO DEFINITE conclusion was reached in the exchange of views in the mayor's office, which lasted approximately an hour. But Spencer said near the conclusion of the meeting he intended to "send two girls down here the day after tomorrow to put in applications for jobs."

The three officials contended there never has been any discrimination as to race in filling city positions. They pointed out there are no vacancies at present in City Hall jobs. If three Negroes were hired, it would mean displacing people who now hold those positions, they added.

Spencer replied that he was not seeking to have anyone fired for the sake of filling a job with a Negro. He said his intention was that the city could create additional jobs, if necessary, in order to give Negroes representation on the payroll and in the operation of the city government.

Willshaw, Vodrey and Dawson took the position that almost no Negroes ever have applied for city jobs, particularly in the cases of those that require Civil Service tests. But every applicant is given the same consideration, based on his qualifications and no other factors, they said.

—:—

SPENCER said his request was aimed primarily at jobs which are not in the classified service. He and Taylor cited particularly the Municipal Court clerk's office; the office of Solicitor J. Michael Kapp, who employs a secretary paid by the city; the water and sewage department offices; the city income tax office, and the secretaries in the mayor's and director's offices.

Willshaw replied that the employes of an elected official are named by that official without any intervention by the mayor. For example, the appointee in the court was named by Judge Samuel Chertoff, he said. The city administration has no control over jobs in the water and sewage departments because they are filled by the autonomous Board of Public Utilities, he said. Dawson, as city treasurer is responsible for employes in the tax office.

"We want our people to contribute to the operation of the city," he said. Some younger colored people are "angry" because they feel their race is not represented in City Hall employment, he said.

Spencer said a Negro never has held an appointive job in a City Hall administrative office. The only three Negroes on the payroll at present are Orin Smith and Arthur Peters, policemen, and Kay Waters, a "Meter Maid," he said. He is chairman of the CTA grievance committee.

—:—

"I HAVE been in office three years and I have hired only two people — a dog warden and a building inspector," the mayor said. He said only three posts are subject to appointment by the mayor, his own secretary, the dog warden and the building inspector.

When a city job is vacant and scheduled to be filled, the job or jobs "are advertised in the newspaper" and every citizen has an opportunity to apply, if he wishes, the mayor said. Vodrey said he has a thick file of applications for city employment in his office, but only one —to his knowledge — is from a Negro.

Spencer said if the city government was interested in a sincere attempt to hire Negroes it would make a particular effort to see that they are given notice of job openings. He said officials could telephone him or send him a notice through the mail and he would see that the information was circulated generally. He asked the mayor to intercede with officials directly concerned with hiring some clerical help — such as the judge — and tell of the request from CTA.

"When you are running for office, you are around the colored and you say: 'We're going to do this for you, or that'," Spencer said. "But when you're elected we never see you again. You could pass the word to the colored people about jobs that are going to be open so they could apply."

The CTA representatives and the city officials indicated as the meeting ended that they would meet again to discuss the questions further.

CAMPAIGNING in Vietnam while his father takes part in a different campaign at home, Randy Agnew, son of the Republican vice-presidential nominee, lugs a bag of cement. Randy, a SeaBee Petty Officer Third Class, was helping repair a damaged bridge in Hue.

Mayor Thanks Scouts In Removal Of Weeds

Mayor George E. Willshaw today sent a letter to Dale Thornton, scoutmaster of Boy Scout Troop 12 at the Trinity United Presbyterian Church, commending the boys for their work in removing weeds from spots around utility poles and parking meters on three of the city's busiest streets.

The boys started the project Tuesday on St. Clair Ave. and said similar work would be performed on Dresden Ave. and Broadway.

The mayor extended the city's thanks to the scouts "for the wonderful exhibition of civic pride in eliminating many of the weeds in the downtown area." The work went "far beyond all expectations" in improving the appearance of the streets, he added.

Security Becomes Tighter

Rapport Tells Of Tussle On Floor Of Convention

This is the third in a series of stories by Maurice Rapport, 18th Congressional District delegate, who is acting as The Review's special correspondent at the Democratic National Convention.

By MAURICE RAPPORT

CHICAGO — Security measures at the Democratic National Convention, tight from the very beginning, became positively ironclad Wednesday, perhaps as a result of some incidents on the floor Tuesday night, including one that involved me directly.

I was involved in the hassle as a delegate from Georgia was being ejected by plainclothesmen who never have been identified fully. When Dan Rather, a CBS television reporter, attempted to question the delegate, someone took a punch at him and down he went, microphone and all.

I was standing alongside Rather at the time and I was nearly thrown off my feet, but managed to right myself before striking the floor. After much confusion, I helped Dan to his feet. He was visibly shaken. He said someone had punched him in the stomach and someone else had struck him in the back. I offered to get him a glass of water, as he was pale and obviously in pain. But he declined the offer of help.

After receiving first aid and resting for a while, he went on to his interviews. But I did not see him on the floor again that night. We never did find out who the man was or why he was being ejected. I don't mind being pushed around in convention crowds, but when punches are thrown, I object strenuously.

It seemed to me Wednesday that there were three security people at the amphitheater and on the streets for each delegate. It is impossible to move about freely. Police and security guards are constantly checking credentials.

It is very difficult for visitors to obtain tickets to the hall. Because their movements are restricted so severely, the delegates feel they have very little opportunity to actually participate in the convention business.

The tension is becoming worse every day. The delegates are unhappy with the restrictions. This will go down as the worst convention in political history from the delegates' standpoint.

—:—

SEVERAL weeks before the convention opened, I sent a telegram to John Bailey, Democratic national chairman, suggesting that the convehtion be moved to a "more peaceful city." I told him it was obvious that the delegates and visitors would "be facing nothing but trouble, and perhaps even injury or death," and I told him Chicago had the appearance of "a barbed wire camp."

One of his aides telephoned me the same day and told me it would be impossible to change the convention site because of all the work that had been done and all the money which had been spent already.

Another experience which I had late Tuesday night while on my way from the convention will illustrate the mood of this city.

I was on my way to visit a friend at the Conrad Hilton Hotel and as I approached I could see hundreds of "hippies"—both men and women—demonstrating in a small park across the street. As I stepped out of the car, a security officer noted I was wearing a delegate badge on my lapel and he ordered me to remove it.

Then he hustled me toward the hotel door. I asked him why I had to remove the badge.

"The hippies have been ripping the coats off of people wearing those badges", he replied. "Even worse, they might punch you in the nose!"

It was a frustrating experience for me. I had always been proud of wearing a delegate badge.

—:—

ROY ALLEN, the Democratic nominee for state representative, is here as an alternate delegate, accompanied by his wife, Joyce. Roy resides in Columbiana.

Handsome Gov. John Connally of Texas visited our delegation on the floor. He is a man who smiles constantly whether things are going his way or not. I asked him if he was aggravated by the over-supply of police and security men and he replied: "I guess we're all being trampled on."

I have been asked many times how one becomes a delegate to a national convention. It seems a mystery to the general public, although the procedure is simple. Those of you who voted a Democratic ballot in May saw my name, but let me explain the procedure from the beginning.

If you are a candidate in the 18th gcongressional District, you start by visiting the County Election Board on W. 6th St. Miss Rebecca Resnick, the director of elections, or Mrs. Hillis Conner, her assistant, will furnish you with a petition to run as a delegate. Before seeking the signatures of at least 100 qualified voters, you must state whom you are supporting and, by law, you must vote for him on the first ballot at the convention.

In my case, I chose to support President Johnson, although he later withdrew. The candidate for delegate must receive written permission from the person he intends to support. When completed, the petition is returned to the Election Board for processing. After the election, the successful candidates receiving certificates from the Ohio secretary of state. That makes you a full-fledged delegate.

Just one thing more — delegates receive no salary and pay their own expenses.

I almost forgot — we are here to nominate the Democratic candidate for president. This prediction is made Wednesday afternoon: I expect Humphrey to win overwhelmingly on the first ballot.

Allocation Approved For Junior Grangers

LISBON — Mt. Nebo Grange members voted Wednesday night to give the Junior Grange $25 of the $89.40 it won last week for its Columbiana County Fair display.

Charles Morlan, county grange deputy, presided.

He announced that Mt. Nebo won the 1968 traveling project, and received $30. Results were announced at a recent meeting of Pomona Grange at the Liverpool Township hall.

The county officers' meeting will be Sept. 9 at Perry Grange.

Howard Wilhelm, lecturer, presented the literary program. He read several articles, conducted a quiz on birds and gave quotations from Abraham Lincoln. Mrs. Maude Driscoll presented comments on the recently-enacted escheat law.

The next meeting will be at 8 p.m. Sept. 11. Mrs. Driscoll and Mrs. Dorothy Farmer served lunch.

Instructions Given W. Beaver Students

Parents of first graders entering the Western Beaver County Schools are requested to pin a name tag and bus stop number on their child's lapel the first day of school.

Cafeteria tickets may be purchased for 40 cents a day. Milk may be purchased for five cents by those children who carry lunch.

First graders attending the Fairview School will report to the cafeteria after getting off their bus. All other pupils in the school will report directly to the classroom they were in last year where they will be given their new room assignment.

How Can I?

By ANNE ASHLEY

Q.—How can I treat paint spatters on furniture?

A.—Fresh ones should be wiped off immediately with a cloth dipped in liquid wax or turpentine, or use soap and water — then polish. Old paint spots should be softened first with linseed oil, daubing it on and letting it stay awhile. Scrape off the softened paint carefully with linseed oil and rottenstone, mixed to a thin paste. Wipe with a plain linseed oil dampened cloth, and polish.

Q.—How can I remove paper that has become stuck fast to a freshly - varnished tabletop?

A.—If you'll soak the paper thoroughly with olive oil, it will be easily removable.

Q.—How can I prevent a ham stored in my refrigerator from molding?

A.—By brushing the ham lightly with vinegar.

Q.—How can I do a good job of cleaning hairbrushes?

A.—Mix a half - cup of salt and flour in equal proportions, rub this thoroughly through the bristles of the brush, and it will usually do a fine cleaning job. Be sure to shake the mixture well out of the brush before using it again.

At Meeting Wednesday

Negroes Request City Hall Posts

Two representatives of Citizens for Total Action asked municipal officials Wednesday to hire at least three Negroes for office jobs as a way of "changing the complexion of City Hall" and giving the minority group participation in their municipal government.

Ted Spencer of 304 Center St., the principal spokesman, and Earl Taylor of 703 Oakland Ave. met with Mayor George E. Willshaw, Safety - Service Director Robert E. Vodrey and Treasurer Bert A. Dawson.

—:—

NO DEFINITE conclusion was reached in the exchange of views in the mayor's office, which lasted approximately an hour. But Spencer said near the conclusion of the meeting he intended to "send two girls down here the day after tomorrow to put in applications for jobs."

The three officials contended there never has been any discrimination as to race in filling city positions. They pointed out there are no vacancies at present in City Hall jobs. If three Negroes were hired, it would mean displacing people who now hold those positions, they added.

Spencer replied that he was not seeking to have anyone fired for the sake of filling a job with a Negro. He said his intention was that the city could create additional jobs, if necessary, in order to give Negroes representation on the payroll and in the operation of the city government.

Willshaw, Vodrey and Dawson took the position that almost no Negroes ever have applied for city jobs, particularly in the cases of those that require Civil Service tests. But every applicant is given the same consideration, based on his qualifications and no other factors, they said.

—:—

SPENCER said his request was aimed primarily at jobs which are not in the classified service. He and Taylor cited particularly the Municipal Court clerk's office; the office of Solicitor J. Michael Kapp, who employs a secretary paid by the city; the water and sewage department offices; the city income tax office, and the secretaries in the mayor's and director's offices.

Willshaw replied that the employes of an elected official are named by that official without any intervention by the mayor. For example, the appointee in the court was named by Judge Samuel Chertoff, he said. The city administration has no control over jobs in the water and sewage departments because they are filled by the autonomous Board of Public Utilities, he said. Dawson, as city treasurer is responsible for employes in the tax office.

"We want our people to contribute to the operation of the city," he said. Some younger colored people are "angry" because they feel their race is not represented in City Hall employment, he said.

Spencer said a Negro never has held an appointive job in a City Hall administrative office. The only three Negroes on the payroll at present are Orin Smith and Arthur Peters, policemen, and Kay Waters, a "Meter Maid," he said. He is chairman of the CTA grievance committee.

—:—

"I HAVE been in office three years and I have hired only two people — a dog warden and a building inspector," the mayor said. He said only three posts are subject to appointment by the mayor, his own secretary, the dog warden and the building inspector.

When a city job is vacant and scheduled to be filled, the job or jobs "are advertised in the newspaper" and every citizen has an opportunity to apply, if he wishes, the mayor said. Vodrey said he has a thick file of applications for city employment in his office, but only one —to his knowledge — is from a Negro.

Spencer said if the city government was interested in a sincere attempt to hire Negroes it would make a particular effort to see that they are given notice of job openings. He said officials could telephone him or send him a notice through the mail and he would see that the information was circulated generally. He asked the mayor to intercede with officials directly concerned with hiring some clerical help — such as the judge — and tell of the request from CTA.

"When you are running for office, you are around the colored and you say: 'We're going to do this for you, or that'," Spencer said. "But when you're elected we never see you again. You could pass the word to the colored people about jobs that are going to be open so they could apply."

The CTA representatives and the city officials indicated as the meeting ended that they would meet again to discuss the questions further.

CAMPAIGNING in Vietnam while his father takes part in a different campaign at home, Randy Agnew, son of the Republican vice-presidential nominee, lugs a bag of cement. Randy, a SeaBee Petty Officer Third Class, was helping repair a damaged bridge in Hue.

Mayor Thanks Scouts In Removal Of Weeds

Mayor George E. Willshaw today sent a letter to Dale Thornton, scoutmaster of Boy Scout Troop 12 at the Trinity United Presbyterian Church, commending the boys for their work in removing weeds from spots around utility poles and parking meters on three of the city's busiest streets.

The boys started the project Tuesday on St. Clair Ave. and said similar work would be performed on Dresden Ave. and Broadway.

The mayor extended the city's thanks to the scouts "for the wonderful exhibition of civic pride in eliminating many of the weeds in the downtown area." The work went "far beyond all expectations" in improving the appearance of the streets, he added.

Security Becomes Tighter

Rapport Tells Of Tussle On Floor Of Convention

This is the third in a series of stories by Maurice Rapport, 18th Congressional District delegate, who is acting as The Review's special correspondent at the Democratic National Convention.

By MAURICE RAPPORT

CHICAGO — Security measures at the Democratic National Convention, tight from the very beginning, became positively ironclad Wednesday, perhaps as a result of some incidents on the floor Tuesday night, including one that involved me directly.

I was involved in the hassle as a delegate from Georgia was being ejected by plainclothesmen who never have been identified fully. When Dan Rather, a CBS television reporter, attempted to question the delegate, someone took a punch at him and down he went, microphone and all.

I was standing alongside Rather at the time and I was nearly thrown off my feet, but managed to right myself before striking the floor. After much confusion, I helped Dan to his feet. He was visibly shaken. He said someone had punched him in the stomach and someone else had struck him in the back. I offered to get him a glass of water, as he was pale and obviously in pain. But he declined the offer of help.

After receiving first aid and resting for a while, he went on to his interviews. But I did not see him on the floor again that night. We never did find out who the man was or why he was being ejected. I don't mind being pushed around in convention crowds, but when punches are thrown, I object strenuously.

It seemed to me Wednesday that there were three security people at the amphitheater and on the streets for each delegate. It is impossible to move about freely. Police and security guards are constantly checking credentials.

It is very difficult for visitors to obtain tickets to the hall. Because their movements are restricted so severely, the delegates feel they have very little opportunity to actually participate in the convention business.

The tension is becoming worse every day. The delegates are unhappy with the restrictions. This will go down as the worst convention in political history from the delegates' standpoint.

—:—

SEVERAL weeks before the convention opened, I sent a telegram to John Bailey, Democratic national chairman, suggesting that the convention be moved to a "more peaceful city." I told him it was obvious that the delegates and visitors would "be facing nothing but trouble, and perhaps even injury or death," and I told him Chicago had the appearance of "a barbed wire camp."

One of his aides telephoned me the same day and told me it would be impossible to change the convention site because of all the work that had been done and all the money which had been spent already.

Another experience which I had late Tuesday night while on my way from the convention will illustrate the mood of this city.

I was on my way to visit a friend at the Conrad Hilton Hotel and as I approached I could see hundreds of "hippies"—both men and women—demonstrating in a small park across the street. As I stepped out of the car, a security officer noted I was wearing a delegate badge on my lapel and he ordered me to remove it.

Then he hustled me toward the hotel door. I asked him why I had to remove the badge.

"The hippies have been ripping the coats off of people wearing those badges", he replied. "Even worse, they might punch you in the nose!"

It was a frustrating experience for me. I had always been proud of wearing a delegate badge.

—:—

ROY ALLEN, the Democratic nominee for state representative, is here as an alternate delegate, accompanied by his wife, Joyce. Roy resides in Columbiana.

Handsome Gov. John Connally of Texas visited our delegation on the floor. He is a man who smiles constantly whether things are going his way or not. I asked him if he was aggravated by the over-supply of police and security men and he replied: "I guess we're all being trampled on."

I have been asked many times how one becomes a delegate to a national convention. It seems a mystery to the general public, although the procedure is simple. Those of you who voted a Democratic ballot in May saw my name, but let me explain the procedure from the beginning.

If you are a candidate in the 18th gcongressional District, you start by visiting the County Election Board on W. 6th St. Miss Rebecca Resnick, the director of elections, or Mrs. Hillis Conner, her assistant, will furnish you with a petition to run as a delegate. Before seeking the signatures of at least 100 qualified voters, you must state whom you are supporting and, by law, you must vote for him on the first ballot at the convention.

In my case, I chose to support President Johnson, although he later withdrew. The candidate for delegate must receive written permission from the person he intends to support. When completed, the petition is returned to the Election Board for processing. After the election, the successful candidates receiving certificates from the Ohio secretary of state. That makes you a full-fledged delegate.

Just one thing more — delegates receive no salary and pay their own expenses.

I almost forgot — we are here to nominate the Democratic candidate for president. This prediction is made Wednesday afternoon: I expect Humphrey to win overwhelmingly on the first ballot.

Allocation Approved For Junior Grangers

LISBON — Mt. Nebo Grange members voted Wednesday night to give the Junior Grange $25 of the $89.40 it won last week for its Columbiana County Fair display.

Charles Morlan, county grange deputy, presided.

He announced that Mt. Nebo won the 1968 traveling project, and received $30. Results were announced at a recent meeting of Pomona Grange at the Liverpool Township hall.

The county officers' meeting will be Sept. 9 at Perry Grange.

Howard Wilhelm, lecturer, presented the literary program. He read several articles, conducted a quiz on birds and gave quotations from Abraham Lincoln. Mrs. Maude Driscoll presented comments on the recently-enacted escheat law.

The next meeting will be at 8 p.m. Sept. 11. Mrs. Driscoll and Mrs. Dorothy Farmer served lunch.

Instructions Given W. Beaver Students

Parents of first graders entering the Western Beaver County Schools are requested to pin a name tag and bus stop number on their child's lapel the first day of school.

Cafeteria tickets may be purchased for 40 cents a day. Milk may be purchased for five cents by those children who carry lunch.

First graders attending the Fairview School will report to the cafeteria after getting off their bus. All other pupils in the school will report directly to the classroom they were in last year where they will be given their new room assignment.

How Can I?

By ANNE ASHLEY

Q.—How can I treat paint spatters on furniture?

A.—Fresh ones should be wiped off immediately with a cloth dipped in liquid wax or turpentine, or use soap and water — then polish. Old paint spots should be softened first with linseed oil, daubing it on and letting it stay awhile. Scrape off the softened paint carefully with linseed oil and rottenstone, mixed to a thin paste. Wipe with a plain linseed oil dampened cloth, and polish.

Q.—How can I remove paper that has become stuck fast to a freshly - varnished tabletop?

A.—If you'll soak the paper thoroughly with olive oil, it will be easily removable.

Q.—How can I prevent a ham stored in my refrigerator from molding?

A.—By brushing the ham lightly with vinegar.

Q.—How can I do a good job of cleaning hairbrushes?

A.—Mix a half - cup of salt and flour in equal proportions, rub this thoroughly through the bristles of the brush, and it will usually do a fine cleaning job. Be sure to shake the mixture well out of the brush before using it again.

Trial Planned On 4 Charges

Municipal Judge Samuel M. Chertoff today set a hearing Sept. 11 for a motorist accused of four violations in affidavits filed by a Liverpool Township constable.

The defendant is Francis William Cornman of Dixonville, accused by Constable Thomas Edgell of failure to comply with an officer's order; attempting to elude an officer; reckless driving, and operating a motor vehicle while his driver's license was under suspension. He alleged all the violations occurred on Aug. 20.

George A. Aronson, Cornman's counsel, moved today for dismissal of the charges on the grounds the court lacks jurisdiction. Judge Chertoff replied the motion would be "overruled until the court has the facts." No arguments were presented today.

Meanwhile, the court set a hearing Tuesday morning for Richard L. Andrews of Georgetown RD, charged with driving an auto with a defectve muffler and using an expired 10-day ficense tag. Andrews was cited this morning at 4:44 on Market St.

The court continued the case on Andrews' promise to obtain proper registration and repair the muffler.

Any family with three small youngsters has whine with breakfast, lunch and supper.

What some artists need most is a brush with reality.

A duck, a sheep and a rooster were the first airborne passengers, carried aloft in a balloon in 1783. To this day, passengers raise a great quack at the information desk, are herded aboard like sheep and crow over the merits of their latest plane ride.

The end of summer isn't all that somber this year—the political conventions will be over.

KEEPING HER HAND IN, Katherine Reid, 67, proves she has lost none of her former skill in handling alligators. In the late 1920s, Miss Reid starred in films, billed as the Alligator Queen. Today, she lives in retirement in West Hollywood, Fla., where she keeps two of the reptiles as pets.

Trial Planned On 4 Charges

Municipal Judge Samuel M. Chertoff today set a hearing Sept. 11 for a motorist accused of four violations in affidavits filed by a Liverpool Township constable.

The defendant is Francis William Cornman of Dixonville, accused by Constable Thomas Edgell of failure to comply with an officer's order; attempting to elude an officer; reckless driving, and operating a motor vehicle while his driver's license was under suspension. He alleged all the violations occurred on Aug. 20.

George A. Aronson, Cornman's counsel, moved today for dismissal of the charges on the grounds the court lacks jurisdiction. Judge Chertoff replied the motion would be "overruled until the court has the facts." No arguments were presented today.

Meanwhile, the court set a hearing Tuesday morning for Richard L. Andrews of Georgetown RD, charged with driving an auto with a defectve muffler and using an expired 10-day ficense tag. Andrews was cited this morning at 4:44 on Market St.

The court continued the case on Andrews' promise to obtain proper registration and repair the muffler.

Beer was a great national favorite in ancient Egypt, relished by the poor and rich alike, and even considered a fit offering to their gods.

With The Patients

Charles Oliver of Hammondsville is a patient undergoing treatment at Osteopathic hospital.

James L. Landis of 1174 Harker Ave. remains in St. Francis Hospital, Pittsburgh, where he has been a patient four weeks.

Jeffrey, 10, and Nancy, 8, children of Mr. and Mrs. Richard N. Lloyd of 335 1st St., Wellsville, are recuperating at home after tonsillectomies Saturday at City Hospital.

Mrs. Frank O'Hara of Commerce St., Wellsville, returned home Tuesday after being a patient at Osteopathic Hospital.

Mrs. Mildred Hole of Clarkson is recuperating from surgery at St. Elizabeth Hospital, Youngstown.

Admitted to Rochester General Hospital were Phillip Hayes of East Liverpool, Mrs. Wilma Boughner of Wellsville, Ray McShane, Mrs. Rosalie Stevenson and Mrs. Sue Young of Midland, and Anthony Castellano, Albert Froats, Miss Susan Loncar, John Novak and Phillip Rich Sr. of Industry. Released were Josiah Glendening and Earl Haney of East Liverpool, Mrs. Roxie Maursic of Woodsfield, Ohio, Mrs. Ruth Ashcroft of Hookstown, Mrs. Mary Hupp of Midland, and Donald Hudson of Industry.

Man And Boy, 2, Hurt In 2 Hancock Mishaps

An East Liverpool man and a 2-year-old New Cumberland boy received minor injuries in two accidents Thursday about 4 p. m. on the West Virginia side of the Newell Bridge.

David Bailey of Dixonville was the driver of an auto that apparently was involved in a one-car accident. He was treated at City Hospital for abrasions of the back. The Hancock County sheriff's office did not have a report of the accident.

Several minutes later, a car driven by Robert Phillips Jr., 23, of New Cumberland RD 2 rammed the rear of a vehicle driven by Robert Birch, 34, of 451 Jackman St., East Liverpool. Phillips' son, Robert, later was taken to St. John's Hospital in Steubenville for treatment of lacerations of the upper lip.

Damage to Birch's vehicle was estimated at $200, with $400 to Phillips' car.

The submerged round-the-world voyage of the atomic-powered USS Triton was called "Operation Magellan" because it followed closely the course charted by Ferdinand Magellan's expedition of 1519-21, except that it skipped the Straits of Magellan.

1936 Model Car Rams Into Bank; Bicycle Struck

A 1936 coach operated by a city resident received moderate damage early today in a one-car accident on County Rd. 430, east of Route 170.

Colvin Sage, 19, of 1223 Pennsylvania Ave., the driver, told investigating officers from the Ohio Highway Patrol at Lisbon that the westbound auto went off the left side of the highway and into an embankment about 3 a.m.

Sage was not seriously injured, police said.

A 13-year-old Lisbon St. boy figured in a bicycle-auto mishap Wednesday afternoon.

Ronald Wathey, son of Mr. and Mrs. George Wathey, escaped injury when he jumped from his bicycle before it was struck by a 1963 coupe operated by Ann Stepanovich, 56, of Staunton Ave. on the avenue about 3:45.

Slight damage resulted to both vehicles.

The mishap occurred as the youth turned from a private driveway.

The Greeks gave amber the name "elektron," since they found that amber, when rubbed briskly, could pick up straws and small bits of paper. This gave man his first knowledge of electricity.

'Purple Heart' Plaque Eyed By Wellsville Post

A Purple Heart memorial plaque was considered at a meeting of Wellsville American Legion Post 70 Monday night.

Kenneth Hoover, commander, presided.

Paul Liberatore presented a sketch and recommendations for the plaque to honor all Wellsville recipients of the award. The matter was referred to committee as a future project.

Dorman Householder reported that an air-conditioning unit has been installed in the meeting room and kitchen and that painting of the grill room has been completed.

Dave Byers, trustee, presented several material bids and recommendations for minor interior repairs which will be completed at a later date.

Sam Maylone, drill sergeant, reported that the drill team and color guard had received a first-place trophy at Scio Aug. 23. They also appeared at the County Fair in Lisbon Sunday. Future appearances include Wellsville Friday, Mingo Junction Saturday and Columbiana Sept. 5.

It was announced by Gary Dawson, entertainment chairman, that the Country Swingers will play for round and square dancing Saturday from 10 to 1, and that the second family picnic will be held at James Lake on Route 45 Sunday at 1 p.m. Table service and a coverdish should be brought.

Robert Tolson announced that plans have been completed for a hay ride Sept. 6. Those planning to attend must register at the post here. The membership transfer of Walter Rivelle from Toronto Post 86 was approved.

The next regular meeting will be Sept. 9 at 8 p.m.

Hookstown's Council Picks New Secretary

Hookstown Council Wednesday night appointed Mrs. Nancy Hall as borough secretary to replace Mrs. Fay Septer, who resigned because she and her husband will move to South Carolina.

Council also announced that applications for the post of borough sanitation inspector will be received at Mrs. Hall's home. Bills totaling $433 were ordered paid. The next meeting will be Oct. 8.

The expression, "the great unwashed," was used by Sir Walter Scott and is attributed to Lord Henry Peter Brougham.

Death On Span Investigated For Link With Chester Case

Pike County, Ohio, authorities have launched an investigation to determine whether a woman found dead Tuesday in the girders of a bridge near Waverly could be a Chester resident missing from her home since Aug. 14.

A deputy sheriff said it did not "look too good" that the body found by two high school boys between Jasper and Piketon was that of Inez Bamblink.

But Dr. Joseph Benutto, Pike County coroner, said there is a possibility it is the same woman. He said the major differences in the descriptions of the women were their weights and ages.

The woman whose body was found on old Ohio 124 was described as about 30 and weighed 140 pounds. Miss Bamblink weighs less and is seven years younger.

The body found near here was taken to University Hospital in Columbus, where doctors said a preliminary autopsy did not show the cause of death.

An aide said the body showed no signs of wounds or blows. Blood tests, he added, are to be conducted today to see whether the woman may have been poisoned.

Deputies said police from West Virginia are expected to go to Columbus today or tomorrow to see whether the body is that of Miss Bamblink.

Miss Bamblink, whom West Virginia state police described as a retarded invalid, was last seen riding in a car with a man from Keyser, W. Va. The man had been visiting Miss Bamblink and her foster mother, Mrs. Hazel Mickael.

Salineville Requests Vote On 3 Proposals

Salineville Council has filed resolutions with the County Election Board seeking ballot places for a vote on three proposed new levies at the November general election.

The propositions are: 2 mills for street maintenance and repair; a half-mill for construction and maintenance of park and playground facilities, and another 2 mills for operating expenses of Woodland Cemetery. Each would be in effect five years.

The Sea of Galilee, the Sea of Chinnereth and Gennesaret are other names for the Sea of Tiberias.

Toronto Driver Cited After Traffic Crash

A 25-year-old Toronto area man was cited for driving left of center as a result of a two-car accident early today on State Route 7, 3.3 miles north of Steubenville.

Kenneth McCart of Toronto RD 1 was operating a northbound auto which went left of center and struck a southbound car driven by Albert Ault, 21, also of Toronto. The McCart vehicle then went off the right side of the highway, he told officers from the Ohio Highway Patrol at Wintersville, who investigated.

The accident was timed at 12:20 a.m. Both autos were damaged severely. McCart received a slight injury but was not treated. Kathryn S. Zypkowski, 18, of Bloomingdale RD 2, a passenger in the Ault auto, was uninjured.

Toronto Driver Cited After Traffic Crash

A 25-year-old Toronto area man was cited for driving left of center as a result of a two-car accident early today on State Route 7, 3.3 miles north of Steubenville.

Kenneth McCart of Toronto RD 1 was operating a northbound auto which went left of center and struck a southbound car driven by Albert Ault, 21, also of Toronto. The McCart vehicle then went off the right side of the highway, he told officers from the Ohio Highway Patrol at Wintersville, who investigated.

The accident was timed at 12:20 a.m. Both autos were damaged severely. McCart received a slight injury but was not treated. Kathryn S. Zypkowski, 18, of Bloomingdale RD 2, a passenger in the Ault auto, was uninjured.

Psychiatry Helps Compulsive Gamblers

That there is a clear difference between social gambling and compulsive gambling is well-established. In any gambling situation, however, there is a cycle of emotional reactions. Making a bet is followed by anxiety and excited anticipation of the result. The outcome brings a certain emotional release of either joy or grief and this is often out of all proportion to the amount of money at stake.

—:—

UNDERNEATH all gambling there is an ostensible desire to prey on another person. For every winner there must be a loser. This spirit finds expression in such phrases as "to make a killing" and "to annihilate" one's opponent. But with the compulsive gambler, any money he may win burns a hole in his pocket.

—:—

IT IS A case of "easy come—easy go" and, if he doesn't spend his winnings foolishly, he will merely keep on playing until he loses. When this happens, his stated belief that he will win it all back doesn't fool anyone and deep in his subconscious mind it doesn't fool him, either.

—:—

LIKEWISE, WHEN a compulsive gambler vows that he is through with gambling forever, he is only kidding himself. His whole attitude toward gambling is both neurotic and infantile. Closely associated with his neurotic pattern is an inability to make a satisfactory marriage. Some authorities go so far as to say that compulsive gambling and marriage are completely incompatible. Hence the truth of the expression "Lucky at cards, unlucky in love." If, however, a spouse ridicules, scolds or makes threats of separation or divorce, this only increases the gambler's urge to continue to gamble.

—:—

CHARACTERISTICALLY, a compulsive gambler will deny that he is sick and needs treatment. But only when he recognizes that he cannot control his gambling unaided is there any chance that he can be helped. He may need expert psychiatric guidance or he may find the answer to his problem in joining Gamblers Anonymous, a self-help organization with chapters in most large cities. Members work in much the same way as members of Alcoholics Anonymous.

Eisenhower Is Taken Off Critical List

WASHINGTON (AP) — Doctors have taken Dwight D. Eisenhower off the critical list but still describe the outlook for full recovery from repeated heart attacks as uncertain.

The former president and World War II commander had been listed as critical since suffering his seventh heart attack Aug. 16.

Doctors, reporting Eisenhower has gone four days without major heart irritability, said Wednesday "we no longer view the immediate situation as critical but still view the over-all disease as serious."

But doctors say they can't tell yet whether Eisenhower, 77, will be able to return to his normal active life.

He had returned from a round of golf in Palm Springs, Calif., April 29 when he suffered the first of the four heart attacks which have kept him virtually bedridden for four months.

"Because of the extent of Gen. Eisenhower's underlying coronary artery disease, his present condition must still be considered serious, albeit not necessarily critical at this time," said the afternoon medical bulletin from Walter Reed Army Hospital.

"The long range outlook is still guarded and the potential for sudden reversal of the current favorable trend is ever present," it added.

The general's latest trouble stemmed from spurts of ineffectual heart fluttering called ventricular fibrillation, interspersed with irregular spasms called heart irritability.

The doctors said Wednesday he showed "some further decrease" in the irritability. The day before doctors had expressed "cautious optimism" over Eisenhower's condition.

Even before Eisenhower was taken off the critical list his son, John, and family returned to their home in Phoenixville, Pa. John Eisenhower and the former president's wife, Mamie, were at his side frequently during the critical period.

"Mrs. Eisenhower continue to visit the general for short periods frequently," said the doctors.

"Gen. Eisenhower's spirits remain good and he has been enjoying light background music at intervals through the last 24 hours," said Wednesday's bulletin.

The human skin has two and a half million sweat glands, which can secrete more than two and a half pints of perspiration an hour.

Mrs. Mary Surratt, John Wilkes Booth's landlady, was hanged for conspiracy in the assassination of President Lincoln.

Midland Council Okays Transfer Of 'Belt' Land

Midland Council Wednesday night passed an ordinance covering the transfer of 21.6 acres in the "green belt" to the Midland School District for recreation purposes for the sum of $1. The land had originally been deeded to the borough by Crucible Steel Co. to be used for recreation purposes.

The acreage will be used by the school district as a playground area for a new elementary school to be built at 7th St. and Virginia Avenue.

George J. Ford Jr., superintendent - community relations at the Midland Division of Crucible, on behalf of Crucible asked Council to petition the State Highway Department to make changes in the 12th St. traffic signal.

—:—

HE SAID the light blinking yellow on Midland Ave. and red on 12th St. causes quite a back-up of traffic. He suggested the light be changed to a cycled light for part of the day and night.

In answering the request, Richard Bach, consulting engineer for Michael Baker Jr., Inc., Borough engineer, said the light will be updated along with others in town, according to state regulations.

He said the engineering firm is preparing to advertise for bids for traffic signals at the present time. According to Bach, the 12th St. light will be a flasher at night and a cycled light in the daytime under the new regulations.

—:—

COUNCILMAN Ray Presutti asked Ford if the new topblown-oxygen converter unit will continue to make as much noise as it is now. Ford responded that it is his understanding that the unit will make less noise when in full production than it is now while in the testing phase. He said the noise stems from testing the air-filtering equipment.

Presutti, vice president, presided in the absence of William Vinovich Sr., president. Councilman Peter Vuckovich was also absent.

Industry Water Project Ready To Get Underway

Work will begin next week on Industry's $667,810 water expansion project. The W. J. Schnieder Co. of Pittsburgh will begin laying water lines from Route 68 out Engle Rd. to Western Beaver High School.

Other contractors will be notified to begin soon. The Miles L. Brown Co. of Tarentum will provide three new tanks, and the Gengerella Construction Co. of Midland will prepare the tank sites and construct booster stations.

The Industry Municipal Authority completed the $450,000 sale of bonds to Singer, Deane and Scribner, bonding firm of Beaver, early this week.

The $450,000 bond issue includes the retirement of $135,000 of a previous bond issue. The project will be completed with the aid of a $217,810 federal grant by the Housing Urban Development Agency.

Donald Haswell, authority chairman, said it is hoped that water will be available to Western Beaver High School by December, although other residents will not be able to tap in by that time.

The school has been without water and has been purchasing loads of water for quite some time. Both the school and the Crucible Management Club on Engle Rd. volunteered to pay. tap-in fee of $50,000 each.

U.S. Officials Laud Bomb Halt Defeat

SAIGON (AP) — Almost unanimously, top-ranking American staff officers in Vietnam today welcomed the Democratic National Convention's refusal to endorse an unconditional halt in the bombing of North Vietnam.

"You won't find anyone around here who wants to hal' the bombing," one officer said.

Top South Vietnamese officials also expressed gratification privately. There was no official comment from President Nguyen Van Thieu.

With the current bombing policy generally endorsed by the platforms of both U.S. parties, soldiers in Vietnam tended to react to the Democratic nomination of Vice President Hubert H. Humphrey according to their personal politics.

Street Improvement Plan Discussion Is Continued

NEW CUMBERLAND — The discussion of the proposed permanent improvement of Jefferson St. on the river side of Route 2 was continued Wednesday during a meeting of Council and residents of the street. Mayor Arthur Watson presided.

The purpose of the meeting was to decide whether the residents would agree to the possibility of forgoing the processes of asking and accepting bids, which would take at least a month before world could start. The work then would be contracted to the Weirton Excavating, Sewage and Asphalt Paving Co.

It was felt by Council that since there are only a few property owners they could easily reach an agreement.

The residents seemed to accept the idea, but Ted Turley asked about the possibility of paving the street with concrete, more permanent then the proposed much cheaper blacktop.

When the other property owners voiced the opinion that they would like an estimate on concrete, Council agreed to check on its cost and present the results, along with Joseph Smitsky of Weirton Excavating, at the Council meeting Sept. 9.

In other action, Council decided to hold monthly ward meetings to encourage citizens participation in city business. Every resident of the ward will be invited to the session, which will be directed by the ward council representatives. Ward problems will be discussed, residents informed of the action and efforts taken to make the legislators more aware of needs in their wards.

Councilman Bill Swearingen and George Weigel of Ward 3 have announced their first meeting for Sept. 16 at 7:30 p. m. in the city building. Councilman Dean Chamberlain and Charles Woofter of Ward 2 have announced a meeting for Sept. 23 at 7:30. Bob Mills and Lawrence Andrews of Ward 1 will set their meeting at a later date.

It was decided upon the request of Wallace Herron that the pavement of 2nd St. be extended an additional 50 feet in order that it might include the last of three lots which he owns.

Juveniles Get Reminder On Traffic Regulations

LISBON — Many juveniles have been cited to traffic hearings at the Courthouse recently for riding mini-bikes (miniature motorcycles), failure to wear a helmet and eye protector while riding a motorcycle and hitchhiking.

Judge Louis Tobin says some parents of children cited for riding mini-bikes without a license claim the salesman led them to believe the child does not need a license.

Any motorcycle, big or little, and even go-carts, are considered motor vehicles by Ohio law and require registration. Highway patrolmen said operators must be licensed and no one can obtain a permit to operate a motor vehicle until he is 16.

—:—

THERE HAVE been numerous instances of children under 16 operating motorcycles and cars.

Under present law, the only child under 16 who can drive legally is the operator of farm machinery. He can drive along or on the highway, but the vehicle must have a slow-moving-vehicle emblem visible from the rear. There is no minimum age for a farm machine operator.

Patrolmen say the motorbike (bicycle with a motor) is not considered a motor vehicle and does not need to be registered because it can be propelled by muscular power. However, the operator must have a driver's license, patrolmen warn.

They say the eight-month-old law requiring helmets and eye shields for motorcycle and motorbike operators also applies to passengers.

JUDGE TOBIN emphasized the law is for the rider' safety. "Up to now we have been fining these youngsters $5," he said, "but now we are going to raise it to $25." "There will be no exceptions. Everyone should be aware of this law by now," he added.

Ordinary eyeglasses cannot be considered protective equipment, patrolmen advise. They add that the law requires that the eyeglasses of motorcycle riders must be of safety glass even when they are wearing the full-face shield or eye protector. A Juvenile Court officer said a boy told him he had to get safety glasses recently and they cost him $80.

Enforcement of the law against hitchhiking serves to prevent accidents and injuries, patrolmen point out. It protects the hitchhiker himself and the driver who stops to give him a lift and the following driver who might pile into the car ahead when it stops.

Dr. Branson New President Of Central State University

COLUMBUS, Ohio (AP)—Dr. Herman R. Branson envisions predominantly Negro Central State University as a school dedicated to educating all who want to learn—black or white—while at the same time enhancing the future of American Negroes.

"Anybody who wants to come to Central State will be welcome," Branson said.

"All of us hope profoundly that America will become a society that is nonracial. Central State is going to work toward that goal."

This the 54-year-old Branson said Wednesday night in accepting an offer to become the third president of the trouble-plagued university of about 3,000 students in Wilberforce.

Branson, current head of the physics department at Howard University in Washington, D.C. said he would approach his new job with "intelligent consideration."

"Let's don't talk about problems," Branson stated while indicating he plans no immediate or big changes.

The physicist and government researcher added that he wanted time to examine the school's problems.

Branson said one of his key goals would be trying to set up an all-around educational program.

Branson will take over officially Sept. 11. He replaces Dr. Harry Groves, who is joining the University of Cincinnati law department.

Branson, the author of over 70 scientific papers and studies, currently is doing research work for the National Aeronautics and Space Administration.

A native of Pocahontas, Va., he was graduated from Virginia State College in 1936 and received his Ph. D. at the University of Cincinnati in 1939.

He and his wife, Carolynne, have a son and a daughter.

'Ohio' Magazine Article Features Bunting Concern

The story of how the W. C. Bunting Co. of East Liverpool started and expanded is told in the September issue of "The Wonderful World of Ohio," published monthly by the state.

The well-illustrated article was prepared by Patricia W. Sperling, associate editor of the magazine, and is entitled "College Mugs and Memories."

The Bunting company is one of the nation's largest makers of mugs and other pottery items sold on college campuses throughout the nation.

Among those shown in the photographs accompanying the story are Delmar T. O'Hara of Wellsville, president of the firm; Gilder Bill Hoyt; Artist Bob Bonnell; Mary Yanko, head of the stamping department; Ron Rowley, and Mrs. O'Hara.

Conservation District Will Meet Oct. 19

LISBON — Kenneth Chamberlain of Standard Bonded Coatings, Inc., Leetonia, will be guest speaker for the annual meeting of the Columbiana Soil and Water Conservation District cooperators Oct. 19 at United School near New Garden.

The United Band Boosters will serve the dinner. Music will be furnished by the Gospel Herald Singers of Beechwood Evangelical United Brethren Church in Stark County.

The CSWD board of supervisors Tuesday accepted applications for conservation assistance from four land owners. The new cooperators are Roland Betz, 281 acres, Franklin Township; Mark S. Registration Set At Steubenville

STEUBENVILLE — Tuesday will be the only day for students not pre-registered to enroll at the College of Steubenville, according to Miss Audrey Savastone, registrar.

The fall semester will begin with the 10 o'clock classes Thursday.

All transfer students, freshmen entering in the summer and readmitted students will register between 1 and 2 p.m. in Starvaggi Memorial library.

Freshmen who had not completed their registration questionnaires will register between 2 and 2:30 p. m.

Upperclassmen who did not complete their registration in May will register between 3:00 and 3:30 p.m.

New evening students and those evening students who did not register during May are required to complete their registration between 6 and 8 p. m.

The first election in which the electors cast separate ballots for the president and vice-president was that of 1804, under provisions of the 12th Amendment.

Pastor Receives Scholarship To Graham Crusade

The Rev. Daniel J. Davis, minister of the Chester First Christian Church, has received a scholarship from the Billy Graham Evangelistic Association at Minneapolis, to attend the Billy Graham School of Evangelism at Pittsburgh Sept. 2-6.

Classes will be held daily at the First United Presbyterian Church, with other outstanding speakers in addition to Graham.

The scholarship includes travel expenses, lodging and meals.

Street Improvement Plan Discussion Is Continued

NEW CUMBERLAND — The discussion of the proposed permanent improvement of Jefferson St. on the river side of Route 2 was continued Wednesday during a meeting of Council and residents of the street. Mayor Arthur Watson presided.

The purpose of the meeting was to decide whether the residents would agree to the possibility of forgoing the processes of asking and accepting bids, which would take at least a month before world could start. The work then would be contracted to the Weirton Excavating, Sewage and Asphalt Paving Co.

It was felt by Council that since there are only a few property owners they could easily reach an agreement.

The residents seemed to accept the idea, but Ted Turley asked about the possibility of paving the street with concrete, more permanent then the proposed much cheaper blacktop.

When the other property owners voiced the opinion that they would like an estimate on concrete, Council agreed to check on its cost and present the results, along with Joseph Smitsky of Weirton Excavating, at the Council meeting Sept. 9.

In other action, Council decided to hold monthly ward meetings to encourage citizens participation in city business. Every resident of the ward will be invited to the session, which will be directed by the ward council representatives. Ward problems will be discussed, residents informed of the action and efforts taken to make the legislators more aware of needs in their wards.

Councilman Bill Swearingen and George Weigel of Ward 3 have announced their first meeting for Sept. 16 at 7:30 p. m. in the city building. Councilman Dean Chamberlain and Charles Woofter of Ward 2 have announced a meeting for Sept. 23 at 7:30. Bob Mills and Lawrence Andrews of Ward 1 will set their meeting at a later date.

It was decided upon the request of Wallace Herron that the pavement of 2nd St. be extended an additional 50 feet in order that it might include the last of three lots which he owns.

Juveniles Get Reminder On Traffic Regulations

LISBON — Many juveniles have been cited to traffic hearings at the Courthouse recently for riding mini-bikes (miniature motorcycles), failure to wear a helmet and eye protector while riding a motorcycle and hitchhiking.

Judge Louis Tobin says some parents of children cited for riding mini-bikes without a license claim the salesman led them to believe the child does not need a license.

Any motorcycle, big or little, and even go-carts, are considered motor vehicles by Ohio law and require registration. Highway patrolmen said operators must be licensed and no one can obtain a permit to operate a motor vehicle until he is 16.

—:—

THERE HAVE been numerous instances of children under 16 operating motorcycles and cars.

Under present law, the only child under 16 who can drive legally is the operator of farm machinery. He can drive along or on the highway, but the vehicle must have a slow-moving-vehicle emblem visible from the rear. There is no minimum age for a farm machine operator.

Patrolmen say the motorbike (bicycle with a motor) is not considered a motor vehicle and does not need to be registered because it can be propelled by muscular power. However, the operator must have a driver's license, patrolmen warn.

They say the eight-month-old law requiring helmets and eye shields for motorcycle and motorbike operators also applies to passengers.

JUDGE TOBIN emphasized the law is for the rider' safety. "Up to now we have been fining these youngsters $5," he said, "but now we are going to raise it to $25." "There will be no exceptions. Everyone should be aware of this law by now," he added.

Ordinary eyeglasses cannot be considered protective equipment, patrolmen advise. They add that the law requires that the eyeglasses of motorcycle riders must be of safety glass even when they are wearing the full-face shield or eye protector. A Juvenile Court officer said a boy told him he had to get safety glasses recently and they cost him $80.

Enforcement of the law against hitchhiking serves to prevent accidents and injuries, patrolmen point out. It protects the hitchhiker himself and the driver who stops to give him a lift and the following driver who might pile into the car ahead when it stops.

Dr. Branson New President Of Central State University

COLUMBUS, Ohio (AP)—Dr. Herman R. Branson envisions predominantly Negro Central State University as a school dedicated to educating all who want to learn—black or white—while at the same time enhancing the future of American Negroes.

"Anybody who wants to come to Central State will be welcome," Branson said.

"All of us hope profoundly that America will become a society that is nonracial. Central State is going to work toward that goal."

This the 54-year-old Branson said Wednesday night in accepting an offer to become the third president of the trouble-plagued university of about 3,000 students in Wilberforce.

Branson, current head of the physics department at Howard University in Washington, D.C. said he would approach his new job with "intelligent consideration."

"Let's don't talk about problems," Branson stated while indicating he plans no immediate or big changes.

The physicist and government researcher added that he wanted time to examine the school's problems.

Branson said one of his key goals would be trying to set up an all-around educational program.

Branson will take over officially Sept. 11. He replaces Dr. Harry Groves, who is joining the University of Cincinnati law department.

Branson, the author of over 70 scientific papers and studies, currently is doing research work for the National Aeronautics and Space Administration.

A native of Pocahontas, Va., he was graduated from Virginia State College in 1936 and received his Ph. D. at the University of Cincinnati in 1939.

He and his wife, Carolynne, have a son and a daughter.

'Ohio' Magazine Article Features Bunting Concern

The story of how the W. C. Bunting Co. of East Liverpool started and expanded is told in the September issue of "The Wonderful World of Ohio," published monthly by the state.

The well-illustrated article was prepared by Patricia W. Sperling, associate editor of the magazine, and is entitled "College Mugs and Memories."

The Bunting company is one of the nation's largest makers of mugs and other pottery items sold on college campuses throughout the nation.

Among those shown in the photographs accompanying the story are Delmar T. O'Hara of Wellsville, president of the firm; Gilder Bill Hoyt; Artist Bob Bonnell; Mary Yanko, head of the stamping department; Ron Rowley, and Mrs. O'Hara.

Thirty week's annual school attendance is compulsory for all Utah children from 6 to 18 years of age.

2 Admitted, 12 Treated At City Hospital

A city man hurt in a fall at work and a city youth injured while towing a car were admitted Wednesday to City Hospital where 12 were treated.

George Collins of 944 Fairview St., an employe of Steve Dallas, is "fair" with fractures of the right leg and rib suffered in a fall from a ladder while painting.

Carl Gorrell, son of Carl Gorrell of Substation Rd., is also "fair" with a fractured left leg received when struck by a car as the brakes failed.

Treated were Robert Minor of 1762 Clark Ave., Wellsville, an employe of Patterson Industries, a laceration of the left index finger at work; Patricia Hall of 1679 Holliday St., a puncture wound of the right index finger while sewing.

Debra Gillespie, daughter of Calvin Gillespie of 506 E. 5th St., a fractured left wrist in a fall from a horse; Mrs. John Campbell of Apples Corners, dog bites on the right hand, left arm and wrist.

James Browning, son of Thomas Browning of Logan St., a puncture wound of the right foot on a nail; David Hutchison, son of Earl Hutchison of 125 Kountz Ave., Wellsville, a laceration of the right eyebrow in a fall while playing.

Janice Martin, daughter of William Martin of 730 Oak St., a scald on the right hand from grease; Richard Mountjoy, son of William Mountjoy of 326 Carolina Ave., Chester, a laceration of the right elbow in a fall while playing football.

Monte Carnegie of 1014½ Huston Pl., a puncture wound of the right side from a hook while fishing; George A. Clutter of 417 Sugar St., a right rib injury in a fall down stairs.

Michael Dennis, son of Earl Dennis Jr., of Chester RD 1, scalds of the left arm and hand on hot water; Gary Heffner, of Kissimmee, Fla., a laceration of the third finger while loading an auto.

Hollyhock is the garden mallow (Anglo-Saxon hoc, mallow). It is called hollyhock or holyhock from the Holy Land, where it is indigenous.

Conservation District Will Meet Oct. 19

LISBON — Kenneth Chamberlain of Standard Bonded Coatings, Inc., Leetonia, will be guest speaker for the annual meeting of the Columbiana Soil and Water Conservation District cooperators Oct. 19 at United School near New Garden.

The United Band Boosters will serve the dinner. Music will be furnished by the Gospel Herald Singers of Beechwood Evangelical United Brethren Church in Stark County.

The CSWD board of supervisors Tuesday accepted applications for conservation assistance from four land owners. The new cooperators are Roland Betz, 281 acres, Franklin Township; Mark S. Rhodes, 62 acres, Fairfield Township; Perry Betz, 53 acres, Hanover Township, and John R. Huston, 22 acres, Middleton Township.

The table, covered with a white cloth, was centered with a decorated cake made by Mrs. William Swinger, sister of Mrs. Scaia.

⁂ ⁂ ⁂

A baby shower was held at the home of Mr. and Mrs. James Doan for their daughter, Mrs. Fred May, with Mrs. Carl Geffert and Miss Marsha Louise Russell of Leetonia hostesses. Seventeen attended.

Miss Russell supervised games, with the winners Mrs. Dominic Sabatino, Mrs. James Griffith, Mrs. Ernest Phillips and Mrs. Dewey May.

The buffet table, covered with an orchid and white cloth, featured a "baby in a cradle" centerpiece. The hostesses served lunch, assisted by Patty and Betty Shipley, Mrs. Edna Toalston, Linda Toalston and Mrs. Doan.

Pennsylvania's Democrats Cast Deciding Vote For HHH

CHICAGO (AP)—Pennsylvania supporters of Vice President Hubert H. Humphrey were elated today after casting the deciding votes that made him the Democratic presidential nominee.

"I'm thrilled and excited," said former Gov. George M. Leader minutes after Pennsylvania had given Humphrey 103¾ votes, boosting him beyond the 1,312 needed for the nomination at the Democratic National Convention.

The tally was read by Mayor Joseph M. Barr of Pittsburgh, sending the convention into a state of bedlam. A brief demonstration erupted before the delegates were gaveled to order and the roll call resumed.

Pennsylvania was the first major state to commit itself for Humphrey. It happened on May 27, the Vice President's 57th birthday, when the state's delegation met in Harrisburg.

In the balloting, McCarthy received 21½ votes. Other votes went to Sen. George S. McGovern of South Dakota 2½, Rev. Channing E. Phillips 1½, and Kennedy ¾ vote.

Earlier, Pennsylvania helped give Humphrey a major floor victory by voting with the majority to reject a platform plank calling for a unilateral deescalation of the war.

The state cast 92¼ votes against the proposal and 35¼ votes in favor of it. There were 2½ votes in the delegation unrecorded.

The convention as a whole defeated the substitute plank by a vote of 1567¾ to 1041¼, then by voice vote adopted the Humphrey-backed platform calling for "an honorable and lasting" negotiated settlement in Vietnam.

Father Charged With Murder In Slaying Of Son

YOUNGSTOWN, Ohio (AP)—John C. Reakes, charged with first - degree murder in the strangulation of his 13-year-old son, is scheduled for arraignment today in nearby Struthers Municipal Court.

Reakes, 40, is held without bond in Mahoning County jail here.

Deputies found the body of Martin Reakes, 13, entombed in the basement of the family home at New Middletown about 13 miles southeast of here.

Authorities said the boy died Monday of strangulation and also had been hit on the head with the handle of a pickax. Fresh mortar was found around a section of the basement wall where the boy's body was sealed.

The fellow artists of Daniele da Volterra called him the "painter of big breeches" because he was hired to paint cloaks over some of the nude figures in Michelangelo's "Last Judgment."

None Injured In 2 Crashes

No one was injured in two traffic mishaps on St. Clair Ave. late Wednesday afternoon, police reported.

The first collision, timed at 4:31 on St. Clair at Midway Ln., involved a 1962 four - door sedan driven by Herman D. Pancake, 17, of Negley RD 1 and a 1962 four - door operated by Charles R. Capehart, 31, of Maple Dr., Calcutta. It damaged both right doors and the quarter panel of the Pancake car and the left front fender and bumper of Capehart's auto. Both were northbound.

Pancake told officers he signaled a right turn into the parking lot of a dairy store and his car was hit by Capehart's.

Capehart, following Pancake, reported Pancake pulled to the center lane as though he intended to make a left turn and instead made a right turn. Capehart said he was unable to avoid a collision.

A mishap on St. Clair at McKinnon Ave. at 5:14 damaged a 1968 import driven by John Barringer, 39, of 500 Princeton Ave. and a 1964 auto operated by Kenneth E. Lamp, 28, of Dodge St. Both were northbound.

Barringer said he slowed to halt for traffic ahead and his car was hit in the rear by Lamp's. Lamp reported Barringer halted at the intersection with McKinnon Ave. and he was unable to avoid a collision. The mishap damaged the entire rear of Barringer's auto. There also was possible mechanical damage. The grill and bumper of Lamp's auto were damaged.

U.S. Command Reports Sharp Fighting In Viet

SAIGON (AP) — The U.S. Command today reported sharp new fighting in Vietnam and said the resumption of heavy enemy attacks last week brought death to more American, South Vietnamese and enemy troops than in any other week this summer.

U.S. headquarters reported 308 Americans killed in action last week, the highest toll since June 15, and said another 1,144 were wounded. The headquarters said 4,755 Viet Cong and North Vietnamese were slain, the biggest weekly total since May 18.

South Vietnamese headquarters reported 495 government troops kliled, their heaviest loss since May 11.

Battle reports from American and South Vietnamese headquarters told of a dozen heavy enemy barrages on military posts and towns, new fighting below the demilitarized zone and northwest of Saigon, and three helicopters shot down in combat.

The biggest battle was 32 miles northwest of Saigon, where U.S. jets and artillery rained fire on a North Vietnamese battalion brought to bay by troops of the 101st Air Cavalry Division.

In a running battle through marshes, jungles and flooded rice paddies, the enemy battalion of perhaps 300 men lost 103 killed, 22 captured and one defected. Sixteen Americans were reported killed and 25 wounded. By noon, the remnants of the enemy force had given up the uneven fight although jets and helicopter gunships were still drawing some sporadic fire.

Several miles to the north, U.S. infantrymen from the 25th Division reported killing 19 of an estimated 200 enemy soldiers before the latter broke off a three-hour skirmish seven miles southeast of Tay Ninh. Two Americans were reported wounded.

South Vietnamese troops reported killing 82 enemy soldiers Wednesday in two widely separated clashes, one near the recently besieged Duc Lap Special Forces camp, 125 miles northeast of Saigon, and the other four miles southwest of Vinh Long, in the Mekong Delta. A spokesman said 13 government soldiers were killed and 22 wounded.

U.S. headquarters reported more enemy rocket and mortar attacks in South Vietnam's five northernmost provinces.

One target was the 4th Logistics Command base about two miles northwest of Da Nang. First reports said the 10 rockets that hit there caused only light casualties and damage.

The U.S. Command also confirmed that a missile fired by a U.S. Navy F4 Phantom fighter-bomber accidentally shot another Navy Phantom 12 days ago when the planes were chasing three enemy MIG interceptors over North Vietnam. Both crewmen of the downed Phantom are missing.

The loss was not revealed until newsmen heard of it and asked military spokesmen about it.

The command said the missile was aimed at one of the MIGs but homed in on the American plane instead. The incident occurred northwest of Vinh, the North Vietnamese port about 25 miles below the 19th parallel, and the MIGs escaped across that line, the northern limit set by President Johnson for American air raids.

West Virginia's Democrats Cast 34 Votes For Humphrey

CHICAGO (AP) — Vice President Hubert H. Humphrey won 34 West Virginia delegate votes as he was overwhelmingly picked as the Democratic Presidential Nominee Wednesday night.

Three votes were cast for Sen. Eugene J. McCarthy of Minnesota and the remaining vote at the convention went to Sen. Edward M. Kennedy of Massachusetts, whose name was not placed in nomination but who had been the subject of a draft movement this week.

John M. McGuire of Parkersburg, who voted for McCarthy, said afterwards, "I think the party failed to make the change that was necessary and the change the people demanded in the primaries."

Asked if he thought Humphrey would win in November, McGuire said, "This isn't the year for prophets."

The other two McCarthy votes were cast by Robert J. Burke of Wheeling and state Sen. Paul J. Kaufman of Charleston. Burke's brother, Jerome, voted for Kennedy.

Sen. Jennings Randolph's public announcement early Wednesday of support for Humphrey was credited with giving the vice president a bigger margin in West Virginia than had been anticipated when the convention opened Monday. The other uncommitted delegates went for Humphrey following Randolph's announcement.

In a heated battle Wednesday afternoon over the party's Vietnam platform plank, 30 West Virginia delegates voted against a minority report which called for an immediate end of the bombing of North Vietnam. The minority report was rejected by the convention.

Several of the eight delegates who voted for the minority report indicated its defeat might hurt the party.

A spokesman said 13 government soldiers were killed and 22 wounded.

U.S. headquarters reported more enemy rocket and mortar attacks in South Vietnam's five northernmost provinces.

One target was the 4th Logistics Command base about two miles northwest of Da Nang. First reports said the 10 rockets that hit there caused only light casualties and damage.

The U.S. Command also confirmed that a missile fired by a U.S. Navy F4 Phantom fighter-bomber accidentally shot another Navy Phantom 12 days ago when the planes were chasing three enemy MIG interceptors over North Vietnam. Both crewmen of the downed Phantom are missing.

The loss was not revealed until newsmen heard of it and asked military spokesmen about it.

The command said the missile was aimed at one of the MIGs but homed in on the American plane instead. The incident occurred northwest of Vinh, the North Vietnamese port about 25 miles below the 19th parallel, and the MIGs escaped across that line, the northern limit set by President Johnson for American air raids.

West Virginia's Democrats Cast 34 Votes For Humphrey

CHICAGO (AP) — Vice President Hubert H. Humphrey won 34 West Virginia delegate votes as he was overwhelmingly picked as the Democratic Presidential Nominee Wednesday night.

Three votes were cast for Sen. Eugene J. McCarthy of Minnesota and the remaining vote at the convention went to Sen. Edward M. Kennedy of Massachusetts, whose name was not placed in nomination but who had been the subject of a draft movement this week.

John M. McGuire of Parkersburg, who voted for McCarthy, said afterwards, "I think the party failed to make the change that was necessary and the change the people demanded in the primaries."

Asked if he thought Humphrey would win in November, McGuire said, "This isn't the year for prophets."

The other two McCarthy votes were cast by Robert J. Burke of Wheeling and state Sen. Paul J. Kaufman of Charleston. Burke's brother, Jerome, voted for Kennedy.

Sen. Jennings Randolph's public announcement early Wednesday of support for Humphrey was credited with giving the vice president a bigger margin in West Virginia than had been anticipated when the convention opened Monday. The other uncommitted delegates went for Humphrey following Randolph's announcement.

In a heated battle Wednesday afternoon over the party's Vietnam platform plank, 30 West Virginia delegates voted against a minority report which called for an immediate end of the bombing of North Vietnam. The minority report was rejected by the convention.

Several of the eight delegates who voted for the minority report indicated its defeat might hurt the party.

Personnel Changes Set By National Steel

PITTSBURGH — Personnel changes in the sales department of the National Steel Corp. were announced today by John J. Gallagher, vice president-sales.

George C. Charlot, resident sales representative in South Bend, Ind., will become district manager in St. Louis, replacing Lynn A. Stewart, who is retiring.

W. Kermit Fish, a sales representative in the St. Louis office, has been named to the newly-created position of resident sales representative in Omaha, Neb.

Schools Fill Gap

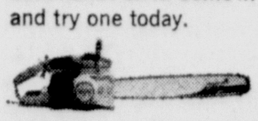

AMRITSAR, India (AP) — A bumper wheat crop outstripped all storage facilities in this area of the Punjab. So officials have stored some of the surplus grains in 22 schools.

ANN LANDERS

'Say It With Flowers!'

By Ann Landers

Dear Ann Landers: My brother wrote me a nasty letter two years ago and said I was responsible for his wife's nervous breakdown. I admit I never cared for Emma and I did needle her a little but I refuse to accept responsibility for her nervous breakdown.

This morning, I received a phone call from my brother. He said, "I just wanted you to know that Emma is going to be operated on for varicose veins tomorrow and it's your fault."

So I asked him how he figured I was to blame for Emma's varicose veins and he replied, "The doctor said depression affects the capillaries and there is no doubt that the unhappiness you have caused Emma has brought on this varicose condition."

Emma has had five children in six years and I think this is what caused her varicose veins.

Check with your medical authorities and let me know if I'm right. — NOT GUILTY.

-:-

Dear Not: A woman who has five children in six years is a fairly good candidate for varicose veins even if she has a sister-in-law who is crazy about her. Ignore your brother's accusations and send Emma a bouquet of flowers. This type of surgery is no fun.

Dear Ann: Will you please stop ruining people's lives? If you tell one more girl to give up her out-of-wedlock child I'm going to go to the owner of the paper and get your column thrown out.

How can you be so cruel? Don't you know that often the baby is the only thing the girl has left to live for? I know what I'm talking about because I was the victim of the same lousy advice, only mine came from a social worker.

This miserable, hard-hearted woman talked me into giving up my child 10 years ago and I have cried myself to sleep every night since. Every time I see a dark-haired little girl on the street I wonder if she's mine.

My relatives don't want to have anything to do with me and my life is lonely and empty. If I had kept my little girl I would have been a happy woman with something to look forward to after work instead of four walls. — BITTER.

-:-

Dear Bitter: The social worker's advice was good. To raise a fatherless child is extremely difficult — even for a person who has emotional stability. A woman who has cried herself to sleep every night for 10 years probably would have raised a child with a zillion problems.

I hope it will be of some comfort to you to know that the child is better off in a home where she can have the love of both a mother and father.

Dear Ann: Please help me. My cousin Charlotte is coming from Oklahoma. She's a nice girl, but Charlotte is bigger than any of the boys in our crowd and I'm going to have a terrible time getting her dates. All the guys want to see a picture. I have a snapshot of Charlotte standing beside a Volkswagen and, honestly, she is bigger than the car.

Any suggestions? — GLOOMSVILLE.

-:-

Dear Gloom: If there's any oil in the family it wouldn't hurt to mention it. In the meantime, don't try for the grooviest guy in the crowd. Forget about Charlotte's size and pick one of the less popular birds who would appreciate being asked.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a self-addressedl stamped envelope.

HINTS FROM HELOISE

Try Neighborhood Stew

DEAR HELOISE: Here's an idea for a little neighborhood fun get-together:

Call your neighbors and ask them over for a "Stew Party." Have each one bring their leftover vegetables, meats, etc., or anything on hand that goes in to make a good stew.

Heloise

When it's all pooled, it makes a batch large enough for the whole crowd.

And boy is that stew ever good!

Don't know why, but it tastes so much better than if you had stayed home and prepared it just for your own family out of your own leftovers.

Besides, it's a good way for everyone to get rid of those leftovers and have an enjoyable time doing it.

I did this in my neighborhood recently and it was such a "hit" that I thought others might like to hear of my idea. It was so much fun and practically no cost to any one of us either.

A READER.

Let's call your fantastic idea a bring-what-you-have party.

Thank goodness we're not going to a come-as-you-are one!

And do remember, gals, these leftovers can be frozen in milk cartons. . . .

HELOISE.

DEAR HELOISE: My two daughters are always commenting about my soft elbows.

But really, the answer is so simple.

Whenever I use cream on my face, lotion on my hands, anything of the sort, I just automatically rub the excess on my elbows. And that's my secret to "nice looking" elbows.

Mrs. Langley

LETTER OF LAUGHTER

DEAR HELOISE: I wondered why our son couldn't hear when we spoke to him. Especially when we asked him to mow the lawn, pick up his clothes, etc. . . .

Now I know!

Last weekend we let him have his first party in our "wreck-room." The hi-fi along with the kids made so much noise, we couldn't even hear ourselves upstairs.

TOM'S DADDY.

DEAR HELOISE: I always had a hard time trying to make slits with a knife in the crust of frozen chicken pot pies and fruit pies. Then I found that by putting them in the oven for just a few minutes that the crust would soften and it would be easier to make the slits.

This is far better than bending your knife on the frozen crust.

LOUISE MEAGHER.

DEAR HELOISE: Can you please tell me how I can prevent and get rid of the plastic odor that I get in a plastic tablecloth even after it has been cleaned, dried overnight and put away in a drawer for awhile?

MRS. C. S. ZWETOW.

-:-

Many write of this problem, maybe someone has come up with the solution. How about it, gals, can you help our friend? If so, just write to Heloise in care of this newspaper. We'd love to hear from you.

HELOISE.

DEAR HELOISE: When making my new chair slipcovers, I used my zipper attachment for sewing on the cords and it worked great.

Not only do they look better, it even sews close to the cord.

MRS. J. MOORE, SR.

DEAR HELOISE: I use twin-size sheets on my baby's bed.

I put the short side of the sheet on the long side of the baby mattress and cover both top and bottom.

When the top side gets soiled, I flip over the mattress and use the other side of the sheet.

Flushing Of Hydrants Slated For Chester

All hydrants in Chester will be flushed thoroughly beginning tonight at 10, Leonard Cowey, superintendent of the Water Department, has announced.

He said the operation should be completed by 7 a.m. Friday.

Cowey explained this is a routine procedure, but pointed out some residents may experience low water pressure while the flushing takes place.

He also announced that his office will be closed Monday.

Gov. Agnew To Speak At Cuyahoga Picnic

CLEVELAND (AP) — Maryland Gov. Spiro T. Agnew, the Republican vice presidential nominee, will be the featured speaker at the annual Cuyahoga County Republican Party Picnic Sept. 3 at Euclid Beach Park.

Agnew's visit will be his second to Cleveland since receiving the vice presidential nomination. He addressed the convention of the Ohio League of Young Republicans here last Saturday night.

Only country in the free world where automobile rgistrations are going down is Burma, where 29,378 cars were registered on Jan. 1, 1968, a decrease of 122 from the previous year.

English Teacher Attends Institute

Harry M. West, English teacher at Oak Glen High School, has returned from an NDEA Institute in English at Carnegie - Mellon University, Pittsburgh.

The six-week institute included courses in modern literature and advanced composition. This is the second institute West has attended, the first being at Ohio State University, Columbus, in 1966. Credits earned through these institutes may be applied to those West already has earned at West Virginia University toward a doctorate degree. West teaches 11th-grade English and Advanced Composition at Oak Glen.

Banker's Son Is Kidnaped In California

BEVERLY HILLS, Calif. (AP) — A man posing as an electrician kidnaped the 4-year-old son of a Beverly Hills banker, and police searching for the boy said today there are similarities to an unsolved abduction one year ago.

"I'll contact your husband later. I want $250,000 in $20 bills," the mother of Stanley Stalford Jr. quoted his abductor as saying.

The man, wearing a hard hat and blue work clothes, fled in the family's new auto. Police said they found the abandoned auto seven hours later but would give no details.

Police Chief Clinton H. Anderson said "there are similarities" between the Stalford abduction and the kidnaping of Kenneth Young, 11, in April 1967.

Kenneth, son of Herbert Young, president of a savings and loan association, was released unharmed after three days when his father paid $250,000 ransom. He lives 4½ blocks from the Stalfords.

Both boys were kidnaped during the day. Both fathers are civic leaders.

Stanley Stalford Sr., 49, chairman of the board of Fidelity Bank of Beverly Hills, was "anxious to pay off the ransom," Anderson said. But police said they knew of no ransom call.

A visitor to the Stalfords' $90,000 home, who wouldn't give his name, said the boy's father and mother, Joanne, were "just sitting by the telephone waiting for a call."

The boy's father was at work when the youngster was kidnaped.

Barron Conspiracy Case Waits Jury Deliberation

CHARLESTON (AP) —The case of former West Virginia Gov. W. W. Barron and four others charged with conspiracy to commit bribery in the award of state government contracts was to be handed to the jury today.

The U. S. District Court jury of seven women and five men were to begin deliberations after receiving instructions from Special Federal Judge J. Robert Martin at 10 a.m. The trial began Aug. 12.

The jury heard final arguments Wednesday from the defense and closing arguments by U.S. Atty. Milton J. Ferguson.

Defendants in the case, along with Barron, are former State Road Commissioner Burl A. Sawyers, former Deputy Road Commissioner Vincent J. Johnkoski, Elkins attorney Bonn Brown and Clarksburg auto dealer Alfred W. Schroath.

—:—

A FEDRAL indictment returned Feb. 14 charged the five with polluting interstate commerce through use of the U.S. mail and telephones.

A sixth person, former State Finance Commissioner Truman F. Gore, also was indicted and went on trial with Barron, but a mistrial was declared in Gores case when his attorney became ill. He remains under indictment.

The government has attempted to show that commission payments from some firms holding West Virginia state contracts flowed to Florida during the first three years of Barron's administration.

Defense lawyers said in their final presentations to the jury that the government failed to prove beyond reasonable doubt that the defendants took part in the alleged scheme.

"Lack of evidence has established reasonable doubt in this case," declared Stanley Preiser, lawyers for Sawyers and Johnkoski.

—:—

"WHO is to protect us against our protectors?" asked Robert G. Perry, Barron's lawyers, as he accused the government's men of extremely improper exercise of their powers.

Oscar Andre, attorney for Schroath, told the jury, "In arriving at your verdict, do so in a way that you would want to be judged of you yourself in similar circumstances."

Ferguson wrapped up the government's case by countering, "I don't hesitate to ask you to bring out a verdict of guilty as to all five defendants."

Ferguson also alluded to Barron's appointment of Brown as chairman of the governor's clean up campaign.

"I think what Gov. Barron appointed him for was to pick West Virginia clean and keep Florida green," he said.

Barron, a 56-year-old Democrat and the son of a clergyman, is a native of Elkins. He served as West Virginia's 25th governor from 1961 until 1965.

Sawyers, Johnkoski and Gore, who were appointed by Barron, held their respective posts until this past February, when they were dismissed after the federal conspiracy indictment was handed down.

Kennedy Star Blazes Brightly On Horizons

CHICAGO (AP) — The rising star of another Kennedy blazed brightly on Democratic horizons today despite the last brother's refusal to be drawn into the White House fray this year.

Many politicians feel Sen. Edward M. Kennedy's rejection of the draft movement that bubbled up at the Democratic National Convention this week only postponed his presidential nomination until 1972 or 1976—depending on which way the party's fortunes flow this fall.

With Vice President Hubert H. Humphrey's first-ballot victory crushing the challenges of war critics Sens. Eugene J. McCarthy and George S. McGovern, the Kennedy banner was practically the only place Democratic dissidents could go. Many went quickly.

"I think he is the hope of the Democratic party," said California Assembly Speaker Jesse M. Unruh, who had flirted with the draft movement until Kennedy killed it hours before the convention chose Humphrey Wednesday night.

McCarthy revealed he had offered to throw all his support behind the 36-year-old Kennedy to try to deny the nomination to Humphrey because of the Vietnam war issue.

The Minnesota senator said, "If Ted had a better chance of stopping it, I'd support him on the first ballot and not even make a run for it."

McGovern also said he'd back Kennedy if he were asked, but Kennedy said he could not accept the nomination "for personal and family reasons" and asked delegates to drop the draft effort.

Convention Chairman Rep. Carl Albert of Oklahoma read a telegram Kennedy had sent.

Kennedy wired, "I am deeply grateful to those who have expressed their confidence in me and are interested in placing my name before this convention, but I respectfully request that the nomination be withdrawn."

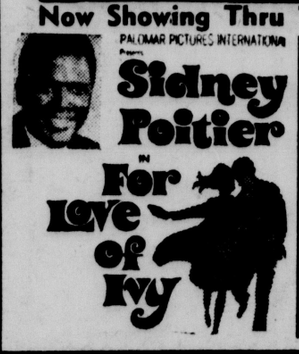

Kennedy's name wasn't entered, but he got 12¾ votes as a tribute anyway.

California raised placards promoting Kennedy for 1972. Unruh said his national status "is sky high at this point."

Barron Conspiracy Case Waits Jury Deliberation

CHARLESTON (AP) —The case of former West Virginia Gov. W. W. Barron and four others charged with conspiracy to commit bribery in the award of state government contracts was to be handed to the jury today.

The U. S. District Court jury of seven women and five men were to begin deliberations after receiving instructions from Special Federal Judge J. Robert Martin at 10 a.m. The trial began Aug. 12.

The jury heard final arguments Wednesday from the defense and closing arguments by U.S. Atty. Milton J. Ferguson.

Defendants in the case, along with Barron, are former State Road Commissioner Burl A. Sawyers, former Deputy Road Commissioner Vincent J. Johnkoski, Elkins attorney Bonn Brown and Clarksburg auto dealer Alfred W. Schroath.

—:—

A FEDRAL indictment returned Feb. 14 charged the five with polluting interstate commerce through use of the U.S. mail and telephones.

A sixth person, former State Finance Commissioner Truman F. Gore, also was indicted and went on trial with Barron, but a mistrial was declared in Gores case when his attorney became ill. He remains under indictment.

The government has attempted to show that commission payments from some firms holding West Virginia state contracts flowed to Florida during the first three years of Barron's administration.

Defense lawyers said in their final presentations to the jury that the government failed to prove beyond reasonable doubt that the defendants took part in the alleged scheme.

"Lack of evidence has established reasonable doubt in this case," declared Stanley Preiser, lawyers for Sawyers and Johnkoski.

—:—

"WHO is to protect us against our protectors?" asked Robert G. Perry, Barron's lawyers, as he accused the government's men of extremely improper exercise of their powers.

Oscar Andre, attorney for Schroath, told the jury, "In arriving at your verdict, do so in a way that you would want to be judged of you yourself in similar circumstances."

Ferguson wrapped up the government's case by countering, "I don't hesitate to ask you to bring out a verdict of guilty as to all five defendants."

Ferguson also alluded to Barron's appointment of Brown as chairman of the governor's clean up campaign.

"I think what Gov. Barron appointed him for was to pick West Virginia clean and keep Florida green," he said.

Barron, a 56-year-old Democrat and the son of a clergyman, is a native of Elkins. He served as West Virginia's 25th governor from 1961 until 1965.

Sawyers, Johnkoski and Gore, who were appointed by Barron, held their respective posts until this past February, when they were dismissed after the federal conspiracy indictment was handed down.

Kennedy Star Blazes Brightly On Horizons

CHICAGO (AP) — The rising star of another Kennedy blazed brightly on Democratic horizons today despite the last brother's refusal to be drawn into the White House fray this year.

Many politicians feel Sen. Edward M. Kennedy's rejection of the draft movement that bubbled up at the Democratic National Convention this week only postponed his presidential nomination until 1972 or 1976—depending on which way the party's fortunes flow this fall.

With Vice President Hubert H. Humphrey's first-ballot victory crushing the challenges of war critics Sens. Eugene J. McCarthy and George S. McGovern, the Kennedy banner was practically the only place Democratic dissidents could go. Many went quickly.

"I think he is the hope of the Democratic party," said California Assembly Speaker Jesse M. Unruh, who had flirted with the draft movement until Kennedy killed it hours before the convention chose Humphrey Wednesday night.

McCarthy revealed he had offered to throw all his support behind the 36-year-old Kennedy to try to deny the nomination to Humphrey because of the Vietnam war issue.

The Minnesota senator said, "If Ted had a better chance of stopping it, I'd support him on the first ballot and not even make a run for it."

McGovern also said he'd back Kennedy if he were asked, but Kennedy said he could not accept the nomination "for personal and family reasons" and asked delegates to drop the draft effort.

Convention Chairman Rep. Carl Albert of Oklahoma read a telegram Kennedy had sent.

Kennedy wired, "I am deeply grateful to those who have expressed their confidence in me and are interested in placing my name before this convention, but I respectfully request that the nomination be withdrawn."

Kennedy's name wasn't entered, but he got 12¾ votes as a tribute anyway.

California raised placards promoting Kennedy for 1972. Unruh said his national status "is sky high at this point."

Lowly Senators Check Orioles

McLain Picks Up 26th Win

By HAL BOCK
Associated Press Sports Writer

The Washington worm, creeping quietly along the bottom of the American League, has quite suddenly turned on Baltimore's ambitious Orioles.

All season long the Senators had been marvelously cooperative with the Orioles, playing Baltimore 12 times and losing 12 times. That's a perfect record in reverse.

Now, with the Birds making a run at Detroit's front-running Tigers, the Senators have cast their negative vote.

While Detroit's Denny McLain was winning his 26th game Wednesday night, beating California 6-1, Washington beat Baltimore for the first time all year. Frank Howard's 37th homer gave the Senators a 3-2 victory and dropped the Orioles five games off the Tigers' pace.

In other American League games, Chicago shut out New York 3-0, Oakland dropped Boston 5-3 and Cleveland nipped Minnesota 3-2.

Howard connected against Jim Hardin, 17-9, in the fourth inning after Bernie Allen's single had tied the score for Washington.

All night long, it looked like the Orioles would bust loose against Jim Hannan, 8-3, but they never did.

Baltimore managed only one run in the second on Larry Haney's triple after Brooks Robinson and Dave Johnson had opened with singles. Robinson was thrown out trying to advance on a fly ball.

The Orioles loaded the bases in the fourth with one out but failed to score and a double play rescued Hannan in the eighth after a double by Frank Robinson and Boog Powell's single producer another run.

McLain became the first AL pitcher to win 26 since Bob Feller and Hal Newhouser did it in 1946 and ended a two-game personal losing streak by beating the Angels.

Bill Freehan had a two-run homer and Jim Northrup a three-run shot for the Tigers, who managed their second victory in the last seven starts.

Rookie Jerry Nyman, making his first major league start for Chicago, shut out the Yankees on four hits and started a three-run rally with a third inning single.

Tommy Davis, Tom McCraw and Walt Williams all drilled run-scoring singles against loser Mel Stottlemyre, 17-11, and Nyman cruised along, allowing only two runners to reach second base. He struck out five and walked three.

Mike Hershberger and Dave Duncan cracked eighth inning homers, snapping a tie and carrying Oakland past Boston. The A's had rallied for two runs in the seventh on Duncan's pinch walk, a wild pitch, a single by Bert Campaneris and Sal Bando's triple.

Carl Yastrzemski tagged a two-run homer for the Red Sox.

Jose Cardenal drove in a pair of runs and Cleveland edged Minnesota with Vicente Romo gaining credit for the victory in relief of starter Luis Tiant.

Tiant, the Indians' 18-game winner, strained his right arm and had to leave the game after five innings. He is expected to miss at least one pitching run.

Cardenal's sixth-inning single drove in the Indians' winning run. He had singled another run across in the fourth.

Oak Glen Kicks Off Local Football Season Saturday

The 1968 prep football season will be kicked off Saturday night in the area when Allen Hoover makes his debut as head coach at Oak Glen when the Bears tackle Weirton Madonna at Weirton. Kick off is set for 8 p. m.

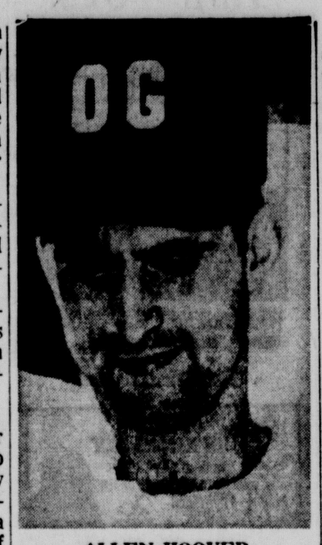

The majority of the other district schools in Ohio and Pennsylvania will mark time until next week to open the grid campaign.

Hoover is set on a starting offensive lineup but said he plans to use two units, both of which would go offensively and defensively.

—:—

THE NEW Oak Glen mentor pointed out his team comes up to the opening game with only one injury suffered in pre-season drills. Larry Manypenny, a letterman tackle, will be out of the opener with an elbow injury.

With Manypenny out, Oak Glen will have 14 lettermen in uniform for the opening game.

ALLEN HOOVER
Makes Debut At Oak Glen.

Craig Whittington, a senior, who was hit hard by injuries last season, will open at quarterback. He will be joined in the backfield by three other lettermen in Greg Hobbs and Dan Foltz at the halfback spots and Karl Sayre at fullback.

THE FORWARD wall will consist of Bob Coleman and Ron Cornell, both lettermen at ends; Jeff Collins and Pete Horoszko, two letter winners at tackles, and veterans Gerald Gray and Tom McGeehan at guards. John Mayhew, who was not a letter winner last season, will open at center.

Looking to Madonna, Hoover points out the Blue Dons have an experienced backfield and good speed in John Avoli, a junior halfback. Hoover also feels Albert Roman, 190-pound quarterback may give his team some trouble.

—:—

THE OAK Glen coach said Madonna's linemen are somewhat inexperienced.

Madonna has been hit by preseason losses including its leading lineman Pat McCune, a 6-3, 175-pounder. Only McCune and Avoli were regulars last year but McCune underwent an appendectomy two weeks ago and will be lost for most of the campaign.

Following the opener Saturday, Oak Glen returns to action on Sept. 6 meeting Fairmont East its home opener at Newell.

Gibson Makes Bucs 11th Shutout Victim, Fans 14

By MIKE RECHT
Associated Press Sports Writer

Bob Gibson is not the type of guy to hold a grudge, but you'd never know it the way he treated the Pittsburgh Pirates only four days after they turned on him.

Pittsburgh, after scoring only one run in two losses to Gibson, ruined his 15-game winning streak last Saturday by scoring two unearned runs in the ninth inning.

The fireballing St. Louis Cardinals right-hander didn't forget that disappointment, about the only one he has had in a sensational season. Wednesday night, he got his revenge.

Gibson made the Pirates his 11th shutout victim this season by cutting them down four hits and striking out 14 as the Cardinals romped to an 8-0 victory.

His latest sparkler, raising his record to 19-6, also put Gibson back on the road toward the Cy Young Award and ended the Cardinals' brief spin en route to their second consecutive pennant.

The Cardinals' distance from the rest of the league stood at 11 games over Cincinnati and San Francisco after the Reds swept the New York Mets 8-3 and 5-2 in a twi-night doubleheader and the Giants nudged Houston 4-3 in the afternoon.

Atlanta won a twi-nighter from Philadelphia 9-2 and 2-1 and the Chicago Cubs beat Los Angeles 7-4 before losing 8-4 in another twi-night twinbill.

Gibson, so outstanding that he is making his 20- and 21-victory years of 1965 and 1966 look like bad seasons, was the master again as the Pirates bowed to him. They never got a runner past second base. He issued two of his three walks to open the fifth, but then struck out the side.

The shutout gave him the St. Louis club record for shutouts breaking Mort Cooper's mark of 10 in one season.

Gibson also capped a five-run fourth inning with a two-run single. Orlando Cepeda hammered his 14th homer for the first three runs off Bob Vealer, 10-13. Cepeda singled in another run in the sixth and Julian Javier stroked his second homer in the eighth as the Cardinals came to life after two straight shut out losses.

Cincinnati moved one percentage point ahead of the Giants as Gerry Arrigo scattered eight hits behind a 15-hit attack in the opener and Gary Nolan cracked a two-run double and teamed with Clay Carroll on a five-hitter in the nightcap.

Don Cardwell had retired the first 13 Reds in the second game and led 1-0 before Nolan capped a three-run uprising in the fifth inning with his double. He gave up only three hits before leaving in the eighth, leaving Carroll to protect his seventh consecutive victory over the Mets.

After Ray Sadecki had given Houston three runs by walking in one run and wild pitching two others home in the fourth, the Astros gave the Giants the winner in the ninth when Jim Hart's infield hit and three walks forced in the run.

Atlanta unloaded 19 hits against the Phillies in their opener, including three each by Felipe Alou and Hank Aaron, a homer and a single by Deron Johnson and winner George Stone's two run-scoring singles.

Aaron, playing first base in the nightcap for the first time in his major league career, hit his 25th homer for a 1-1 tie and then Johnson singled in Alou with the winning run in the eighth inning. Pat Jarvis, 14-9, got the victory with a three-hitter.

Ernie Banks keyed a six-run Cubs' uprising in the first inning of the first game with a two-run single, but the Dodgers scored six runs of their own in the eighth inning of the nightcap to overcome a 4-2 deficit. Ken Boyer struck the big blow, a pinch three-run double for a 6-4 lead.

Laver, Ashe Head Field In U.S. Open Tennis Play

By MURRAY ROSE
Associated Press Sports Writer

FOREST HILLS, N.Y. (AP) — The Open tennis gold rush hits New York for an 11-day run, starting today, with every indication that the first U.S. Open Tennis Championships will break every money record for the sport at the West Side Tennis Club.

Rod Laver, Australia's king of the pros, and Arthur Ashe, the newly crowned U.S. Amateur champion from Richmond, Va., are the main drawing cards for the star-studded meet of 96 men and 64 women singles players.

The pros now are alerted to the skill of the amateurs. And with $100,000—the richest purse ever in tennis—to shoot at, the pros should be at their best.

The men's first prize is $14,000 with $6,000 for the women's winner, likely Mrs. Billie Jean King, the Wimbledon winner three straight years.

Billie Jean beat Australia's Judy Tegart while Laver crushed countryman Tony Roche in the men's final of Wimbledon's first Open this summer.

The big surprise at Wimbledon, however, was the showing of American Davis Cuppers Ashe and Clark Graebner, in reaching the semifinals. Laver beat Ashe 7-5, 6-2, 6-4, and Roche topped Graebner, 9-7, 8-10 6-4 8-6.

Laver seeded first, and Ashe, the No. 5 seed, drew first-round byes, and will make their stadium bows on Sunday. Laver will meet Brazilian Davis Cupper Tomas Koch and Ashe will follow against Frank Parker, the U.S. champion of 1944 and 1945.

Mrs. King was given the honor of opening the tournament in the Stadium today against Helen Amos, an Australian newcomer.

Thunderbird Classic Will Open Friday

CLIFTON, N.J. (AP) — Arnold Palmer is the defending champion, but Jack Nicklaus has his accustomed favorite's role in the $130,000 Thunderbird Golf Classic, which opens Friday on the 7,035-yard par 72 course of the upper Montclair Country Club.

But Nicklaus and Palmer will have their hands full with a 150-man field that includes almost all of golf's top names.

Palmer, who also won in 1963, is the only two-time winner in the seven-year history of the Thunderbird, whose winner has usually been one of golf's biggest names.

Nicklaus took the title in 1965 and the other winners have been Gene Littler (1962), the late Tony Lema (1964) and Mason Rudolph (966).

In addition to Arnie and Jack, favorite roles at this year's Thunderbird have been assigned to Julius Borcs, having his best year on the tour and Billy Casper, last year's leading money-winner.

Also on hand are U.S. Open champion Lee Trevino, who has been playing practice rounds since Monday, Masters Champion Bob Goalby, and young Bob Murphy, the hottest newcomer on the tour. Murphy took the Philadelphia Golf Classic last week after finishing tied for second at Westchester the week before.

The foreign contingent is led by British Open champion Gary Player, making his first appearance on the U.S. tour in several months after resting at his home in South Africa.

Akron Golfer Wins Open By Eight Strokes

FAIRBORN, Ohio (AP) — Akron pro Frank Wharton breezed to his first Ohio Open golf championship Wednesday despite erratic putting that pushed his third round score up to a four-over-par 76.

Wharton, who shot sizzling scores of 69 and 68 on Monday and Tuesday, toured the final round in even par 72 for a 72-hole score of 285 to win the $1,200 top prize by eight strokes.

Tom Cassady of Groveport finished second with 293, followed by John Dalrymple of Sylvania with 294.

Gene Cardi of Columbus was the best amateur with 302. Chuck Smith of Worthington had a 305 and Andy Augaitus of Dayton was third amateur with 306.

Most golfers playing the 7,175-yard Greene Country Club course Wednesday blamed the high scores on the difficult positioning of the pins, most of which were placed near the edges of the greens.

Wharton, a 32-year-old Texas native, was runner - up in his first Ohio Open last year.

Tied for fourth in this year's open were Mike Podolski of Troy and George Belino of Youngstown at 295. Those further back included Bob Littler Jr. of Athens, 301, and Chuck Rotar of Canton, 306.

Bill Freehan had a two-run homer and Jim Northrup a three-run shot for the Tigers, who managed their second victory in the last seven starts.

Rookie Jerry Nyman, making his first major league start for Chicago, shut out the Yankees on four hits and started a three-run rally with a third inning single.

Tommy Davis, Tom McCraw and Walt Williams all drilled run-scoring singles against loser Mel Stottlemyre, 17-11, and Nyman cruised along, allowing only two runners to reach second base. He struck out five and walked three.

The Cardinals' distance from the rest of the league stood at 11 games over Cincinnati and San Francisco after the Reds swept the New York Mets 8-3 and 5-2 in a twi-night doubleheader and the Giants nudged Houston 4-3 in the afternoon.

Atlanta won a twi-nighter from Philadelphia 9-2 and 2-1 and the Chicago Cubs beat Los Angeles 7-4 before losing 8-4 in another twi-night twinbill.

Gibson, so outstanding that he is making his 20- and 21-victory years of 1965 and 1966 look like bad seasons, was the master again as the Pirates bowed to him. They never got a runner past second base. He issued two of his three walks to open the fifth, but then struck out the side.

The shutout gave him the St. Louis club record for shutouts breaking Mort Cooper's mark of 10 in one season.

Gibson also capped a five-run fourth inning with a two-run single. Orlando Cepeda hammered his 14th homer for the first three runs off Bob Vealer, 10-13. Cepeda singled in another run in the sixth and Julian Javier stroked his second homer in the eighth as the Cardinals came to life after two straight shut out losses.

Cincinnati moved one percentage point ahead of the Giants as Gerry Arrigo scattered eight hits behind a 15-hit attack in the opener and Gary Nolan cracked a two-run double and teamed with Clay Carroll on a five-hitter in the nightcap.

Don Cardwell had retired the first 13 Reds in the second game and led 1-0 before Nolan capped a three-run uprising in the fifth inning with his double. He gave up only three hits before leaving in the eighth, leaving Carroll to protect his seventh consecutive victory over the Mets.

After Ray Sadecki had given Houston three runs by walking in one run and wild pitching two others home in the fourth, the Astros gave the Giants the winner in the ninth when Jim Hart's infield hit and three walks forced in the run.

Atlanta unloaded 19 hits against the Phillies in their opener, including three each by Felipe Alou and Hank Aaron, a homer and a single by Deron Johnson and winner George Stone's two run-scoring singles.

Aaron, playing first base in the nightcap for the first time in his major league career, hit his 25th homer for a 1-1 tie and then Johnson singled in Alou with the winning run in the eighth inning. Pat Jarvis, 14-9, got the victory with a three-hitter.

Ernie Banks keyed a six-run Cubs' uprising in the first inning of the first game with a two-run single, but the Dodgers scored six runs of their own in the eighth inning of the nightcap to overcome a 4-2 deficit. Ken Boyer struck the big blow, a pinch three-run double for a 6-4 lead.

Laver, Ashe Head Field In U.S. Open Tennis Play

By MURRAY ROSE
Associated Press Sports Writer

FOREST HILLS, N.Y. (AP) — The Open tennis gold rush hits New York for an 11-day run, starting today, with every indication that the first U.S. Open Tennis Championships will break every money record for the sport at the West Side Tennis Club.

Rod Laver, Australia's king of the pros, and Arthur Ashe, the newly crowned U.S. Amateur champion from Richmond, Va., are the main drawing cards for the star-studded meet of 96 men and 64 women singles players.

The pros now are alerted to the skill of the amateurs. And with $100,000—the richest purse ever in tennis—to shoot at, the pros should be at their best.

The men's first prize is $14,000 with $6,000 for the women's winner, likely Mrs. Billie Jean King, the Wimbledon winner three straight years.

Billie Jean beat Australia's Judy Tegart while Laver crushed countryman Tony Roche in the men's final of Wimbledon's first Open this summer.

The big surprise at Wimbledon, however, was the showing of American Davis Cuppers Ashe and Clark Graebner, in reaching the semifinals. Laver beat Ashe 7-5, 6-2, 6-4, and Roche topped Graebner, 9-7, 8-10 6-4 8-6.

Laver seeded first, and Ashe, the No. 5 seed, drew first-round byes, and will make their stadium bows on Sunday. Laver will meet Brazilian Davis Cupper Tomas Koch and Ashe will follow against Frank Parker, the U.S. champion of 1944 and 1945.

Mrs. King was given the honor of opening the tournament in the Stadium today against Helen Amos, an Australian newcomer.

Akron Golfer Wins Open By Eight Strokes

FAIRBORN, Ohio (AP) — Akron pro Frank Wharton breezed to his first Ohio Open golf championship Wednesday despite erratic putting that pushed his third round score up to a four-over-par 76.

Wharton, who shot sizzling scores of 69 and 68 on Monday and Tuesday, toured the final round in even par 72 for a 72-hole score of 285 to win the $1,200 top prize by eight strokes.

Tom Cassady of Groveport finished second with 293, followed by John Dalrymple of Sylvania with 294.

Gene Cardi of Columbus was the best amateur with 302. Chuck Smith of Worthington had a 305 and Andy Augaitus of Dayton was third amateur with 306.

Most golfers playing the 7,175-yard Greene Country Club course Wednesday blamed the high scores on the difficult positioning of the pins, most of which were placed near the edges of the greens.

Wharton, a 32-year-old Texas native, was runner - up in his first Ohio Open last year.

Tied for fourth in this year's open were Mike Podolski of Troy and George Belino of Youngstown at 295. Those further back included Bob Littler Jr. of Athens, 301, and Chuck Rotar of Canton, 306.

Visits Weirton Madonna

Oak Glen Kicks Off Local Football Season Saturday

The 1968 prep football season will be kicked off Saturday night in the area when Allen Hoover makes his debut as head coach at Oak Glen when the Bears tackle Weirton Madonna at Weirton. Kick off is set for 8 p. m.

The majority of the other district schools in Ohio and Pennsylvania will mark time until next week to open the grid campaign.

Hoover is set on a starting offensive lineup but said he plans to use two units, both of which would go offensively and defensively.

—:—

THE NEW Oak Glen mentor pointed out his team comes up to the opening game with only one injury suffered in pre-season drills. Larry Manypenny, a letterman tackle, will be out of the opener with an elbow injury.

With Manypenny out, Oak Glen will have 14 lettermen in uniform for the opening game.

ALLEN HOOVER
Makes Debut At Oak Glen.

Craig Whittington, a senior, who was hit hard by injuries last season, will open at quarterback. He will be joined in the backfield by three other lettermen in Greg Hobbs and Dan Foltz at the halfback spots and Karl Sayre at fullback.

THE FORWARD wall will consist of Bob Coleman and Ron Cornell, both lettermen at ends; Jeff Collins and Pete Horoszko, two letter winners at tackles, and veterans Gerald Gray and Tom McGeehan at guards. John Mayhew, who was not a letter winner last season, will open at center.

Looking to Madonna, Hoover points out the Blue Dons have an experienced backfield and good speed in John Avoli, a junior halfback. Hoover also feels Albert Roman, 190-pound quarterback may give his team some trouble.

—:—

THE OAK Glen coach said Madonna's linemen are somewhat inexperienced.

Madonna has been hit by preseason losses including its leading lineman Pat McCune, a 6-3, 175-pounder. Only McCune and Avoli were regulars last year but McCune underwent an appendectomy two weeks ago and will be lost for most of the campaign.

Following the opener Saturday, Oak Glen returns to action on Sept. 6 meeting Fairmont East its home opener at Newell.

Thunderbird Classic Will Open Friday

CLIFTON, N.J. (AP) — Arnold Palmer is the defending champion, but Jack Nicklaus has his accustomed favorite's role in the $130,000 Thunderbird Golf Classic, which opens Friday on the 7,035-yard par 72 course of the upper Montclair Country Club.

But Nicklaus and Palmer will have their hands full with a 150-man field that includes almost all of golf's top names.

Palmer, who also won in 1963, is the only two-time winner in the seven-year history of the Thunderbird, whose winner has usually been one of golf's biggest names.

Nicklaus took the title in 1965 and the other winners have been Gene Littler (1962), the late Tony Lema (1964) and Mason Rudolph (966).

In addition to Arnie and Jack, favorite roles at this year's Thunderbird have been assigned to Julius Boros, having his best year on the tour and Billy Casper, last year's leading money-winner.

Also on hand are U.S. Open champion Lee Trevino, who has been playing practice rounds since Monday, Masters Champion Bob Goalby, and young Bob Murphy, the hottest newcomer on the tour. Murphy took the Philadelphia Golf Classic last week after finishing tied for second at Westchester the week before.

The foreign contingent is led by British Open champion Gary Player, making his first appearance on the U.S. tour in several months after resting at his home in South Africa.

Redskins Take On Lions

Otto Hopes Jurgensen Can See Action Tonight

By ED SCHUYLER JR.
Associated Press Sports Writer

Coach Otto Graham hopes quarterback Sonny Jurgensen can play at least a quarter tonight, and the Redskins might need him against a Detroit Lions' defense that seems bent on wiping out the running game.

The National Football League contest at Washington launches a 12-game preseason schedule, which will be highlighted by a nationally televised NFL game between Minnesota and St. Louis Sunday night and climaxed Monday when NFL Philadelphia plays Boston of the American Football League.

Jurgensen, recuperating from surgery on the elbow of his throwing arm last May, has not played any this summer.

"I am not saying he definitely will play," Graham said Wednesday, "but I would like to use him if he is up to it. Maybe for a quarter or so."

Even though he is not in top form, the appearance of a passer of Jurgensen's ability could spark a punchless Washington attack which has seen kicker Charlie Gogolak account for 27 of 45 point in four games, three of which the Redskins lost.

The Detroit defensive line has yielded just six first down and an average of 58 yards rushing in three games, two of them Lion victories.

The Lions held NFL Baltimore to 28 yards on 21 carries and no first downs by rushing in a 14-7 victory last week.

But the Detroit defensive wasn't the only thing impressive in the victory over Baltimore. Quarterback Bill Munson put on quite a show also.

Munson, the ex-Los Angeles Ram who will start tonight, completed 19 of 22 passes, the last 12 in a row, for 178 yards against Baltimore in making his frst start since recovering from leg surgery.

Jim Ninowski will start at quarterback for Washington and will be backed up by Harry Theofiledes and hopefully, for the Redskins, Jurgensen.

Four trades were made in pro football Wednesday.

Detroit traded veteran receiver John Henderson to Minnesota for an undisclosed future draft choice.

The AFL San Diego Chargers sent quarterback Kay Stephenson to Buffalo of the AFL for an undisclosed draft choice.

Backs Billy Johnson and Bob Cappadonna were recalled by Boston which then sent Cappadonna to Buffalo for an undisclosed draft choice.

And St. Louis got a future draft pick from Philadelphia for rookie running back Don Fitzgerald of Kent State.

U.S. Will Send Fastest Gal Swimmers To Games

By JACK STEVENSON
Associated Press Sports Writer

LOS ANGELES (AP) — Mexico City can count on a pair of River Rats causing plenty of excitement in October when the fastest U.S. women's swimming team in history competes in the 1968 Olympic Games.

Leading the freestyle contingent are Debbie Meyer and Sue Pedersen, both students at Rio Americano High School in Sacramento.

"Our real school nickname is the Panthers, but everybody calls us the River Rats," laughed slim and pretty Debbie, who raced to her third world record of the women's Olympic trials Wednesday.

The 16-year-old not only smashed her own world record once, she did it twice, winning the finals in 9 minutes 10.4 seconds, a full 12 seconds under her official world mark.

Patty Caretto of Long Beach, Calif., was second in 9:18.5 and Pam Kruse, Fort Lauderdale, Fla., third 9:20.8.

In qualifying Debbie had clocked 9:16.4 for the metric half mile, final event on the five-day program. The 5-foot-7, 118-pound blue-eyed blonde previously had established the world's best of 2:06.7 in the 200 freestyle and 4:24.6 in the 400.

All in all, the amazing teenagers smashed seven world records of the 12 Olympic events on the program. The American record fell plus one American citizens mark.

Miss Pedersen set one of the American records with a 59.0 in the 100-meter freestyle.

Record breakers in the spirited competition at the Los Angeles Swim Stadium all were teen-agers.

Claudia Kolb, 18, of the Santa Clara, Calif., Swim Club, set two world marks and so did Catie Ball who'll celebrate her 17th birthday during the Games.

Claudia clocked 2:23.6 in the 200-meter individual medley and 5:04.7 for the 400-meter of the same race.

Miss Ball, from Jacksonville, Fla., won both backstroke events with record times of 1:14.3 and 2:38.5 for the 100 and 200 meters respectively.

Although in most cases, only the top three in each event are named to the squad, the first five in that race make it. Developments will tell who'll race in the Olympics but the team needs four for the 400-meter relay.

Thus Jane Barkman of Philadelphia and Cathy Corcione of Long Branch, N.J., get to go. Their 100-meter times of 59.63 and 1:00.45 would have won most meets.

Bengals Add 4, But Also Cut 2

CINCINNATI (AP) — Coach Paul Brown hopefully bolstered his Cincinnati Bengals by four players Wednesday and at the same time made two cuts.

Dropped were halfback Bob Burnett and linebacker Jeff Banks.

The four additions were linebacker Wayne McClure and end Micky McCarty, both from the Kansas City Chiefs; and fullback Preston Ridlehuber and end Ken Herock, both from Oakland. All were picked up on waivers.

Burnett spent the entire training season at the Wilmington camp attempting to get his knee in shape after an operation. His workout was limited.

Burnett, a two-year pro veteran, was named the AFL "rookie-of-the-year" at Buffalo in 1966 when he averaged 4.1 yards per carry.

Maimonides was Moses ben Maimon, a Jewish philosopher of the Middle Ages whose writings have been an influential force in Jewish thought and ritual.

Bucher In 21st Year

Lisbon Termed 'Young,' But Have 11 Lettermen

"This is the youngest group of players we've had at Lisbon since I've been coach here", says Edwin (Buc) Bucher, speaking of the 1968 Blue Devil football team.

And Bucher's statement takes in a lot of ground, as he is the dean of county coaches, starting his 21st year at Lisbon.

"We have a lot of good players, but I'd say the team is a year away", Bucher continues. Nevertheless he has 11 lettermen and foes respect the coach who turned a 1-9 outfit into a 9-1 team in 1967.

Randy Muntean, 170, is starting his fourth year as Lisbon quarterback. Other lettermen backs are junior Gary Simpson, 160, and senior Gary Haney, 130, at halfbacks and co-captain Bill Farmer, 198, at fullback. Other backs are sophomore Dave Ward, 165, behind Muntean, and sophomore halfbacks Rob Pike, 135, and Ed Phillips, 160.

The Blue Devils have three lettermen ends, juniors Dave McCammon, 190 and Dave Ferguson, 165 and senior Dave Blaeney, 165. Tom Krause, a 160-pound junior, is also an end. Lettermen tackles are senior Dennis Adams, 150, and junior Roger Dixon, 175. Others are juniors Bryan Cain, 240, and Wayne Kenmuir, 225. Co-captain Chuck Pastore, 165, is the only letterman guard. Others are juniors Paul Smith, 165, Mike Wilson, 160, and Tom Viets, 150, and sophomore Ed Browne, 160. Carl Steele, a 150-pound junior, is a letterman center, backed by Nick Senanefes, a 145 - pound junior.

Bucher has two new assistants, Dick Rose of Lisbon and Mt. Union, and Roger Cooley of N. Lima and Heidelberg. Gary Pike, head basketball coach, also assists.

Lisbon will use a single-T offense and a 5-3 defense with a monster man.

Bucher tabs Minerva as the team to beat in the Tri-County League, with Leetonia and Sebring challengers.

The schedule:

Sept. 6—Southern Local
Sept. 13—at Wellsville
Sept. 20—Minerva*
Sept. 27—Poland*
Oct. 4—at East Palestine*
Oct. 11—at Sebring*

Pirates Hire Shepard For 1969 Season

PITTSBURGH (AP) — The disappointing Pittsburgh Pirates, troubled by injuries and mired in the second division, rehired Larry Shepard today to manage them in 1969.

Gen. Mgr. Joe. L. Brown, who made the announcement, said, "There was never any doubt in my mind that he would be back."

The Pirates, expected to battle for the pennant, have never been in contention. They are in sixth place 19½ games behind league - leading St. Louis, as injuries have hit one regular after another.

Jim Bunning, acquired in an off-season trade and expected to be the stopper for the pitching staff, has been hurt several times and is limping along with a 4-13 record.

"We have had a lot of problems that nobody could control, injuries to key men even before the season started," Brown said. He specifically mentioned Roberto Clemente, Bunning, Gene Alley Jerry May, Willie Stargell Donn Clendenon, Tommie Sisk and Fred Patek.

Clemente, the National League batting champion in 1967 for the fourth time, is batting .273, one of the lowest marks of his career. He injured a shoulder in a fall at his Puerto Rico home in February and recently he said that if he didn't improve over the winter, he would retire.

Brown said he and Shepard began to plan for next year some time ago, "talking about players in our minor league system."

"Larry brought along some of our young pitchers real well," Brown said. "With Steve Blass, Dock Ellis and Bob Moose we can build."

Before adoption of the metric system, the French had a unit of measure called the "journal." This was the area a farmer could cultivate in one day with his plow.

3 Fire 71's To Share Lead In U.S. Amateur

By HAL PARIS
Associated Press Sports Writer

COLUMBUS, Ohio (AP) — Michael Bonallack likes the greens because they remind him of home. Jack Veghte plans to attack the course and Allen Miller III is just having fun.

These three emerged as the first-round leaders in the 68th U.S. Amateur Golf Championship Wednesday after posting one-over par 71s on the tough Scioto Country Club layout.

They carried a shaky one-stroke advantage into today's second round of action over five other hopefuls and a two-shot margin over a dozen others in a closely bunched field.

The bulky list of 150 competitors was to be trimmed after today's round to the low 60 scores and ties for Friday and Saturdays final 18-hole tests.

As expected, the rugged, 6,762-yard Scioto course was the real master Wednesday, refusing to yield a single par round. At least a dozen players had shots at breaking par but faltered in the late going.

Bonallack, the 33-year-old British Amateur king from Essex, England had his troubles on the 235-yard par 3 No. 14. He hooked his drive into the left bunker, needed two to get out, chipped by the pin and two-putted for a double bogey.

Veghte, a 33-year-old insurance broker from Clearwater, Fla., was four-under through 10 holes but lost five shots in the final six holes. The biggest blow was on No. 13 when he fired into two traps and three-putted for a double bogey 6.

Miller, a 20-year-old University of Georgia junior from Pensacola, Fla., matched par on 17 holes.

Dale Morey, the North Carolina amateur king from High Point, headed a contingent of five at 72. The 49-year-old salesman was helped considerably by a hole-in-one on the 195-yard No. 17, his seventh lifetime ace.

Bill Campbell the 45-year-old Huntington, W. Va., insurance broker playing in his 25th tournament, shot a 76.

Red Sox' Santiago Through For Season

BOSTON (AP) — Disabled Jose Santiago, the early-season ace of the Boston Red Sox pitching staff, is through until next year, according to Manager Dick Williams.

Santiago has been bothered with arm trouble for a month.

"We plan on having him go home and rest," Williams said Wednesday night. "His elbow is still puffed up and he can't throw a breaking ball. He won't pitch any more this season, or in winter ball."

Trainer Buddy LeRoux said Santiago has been told to take complete rest until Dec. 1, then return to Boston for re-examination.

Yesterday's Stars

PITCHING—Rookie Jerry Nyman, White Sox, hurled a four-hitter, struck out five and allowed only two runners as far as second base as he won his first major league game, a 3-0 victory over the New York Yankees.

BATTING—Felipe Alou, Braves, stroked five hits, drove in one run and scored four, including the winning run in the second game as Atlanta swept a twi-ight doubleheader from Philadelphia 9-2 and 2-1.

The new figure established for the height of Mt. Everest is 29,028 feet. The National Geographic Society has accepted the new figure, but many mountaineering groups still hold to the traditional 29,002 feet.

Cincinnati Eyes Championship Of Connie Mack

FARMINGTON, N. M. (AP) — Cincinnati and Bridgeport, Conn., clash tonight for the championship of the Connie Mack Baseball World Series.

Cincinnati will have its ace in reserve.

Bruce Raible, who had already won two games in the series, pitched 3 1-3 innings of relief Wednesday night and got credit for a 2 - 0 victory over Nashville in the semifinals.

Raible came on after Nashville loaded the bases, and he struck out catcher Hardy Lavender to end the inning.

The 5-foot-10, 170-pound University of Cincinnati right-hander now has compiled a 19 - 0 record in Connie Mack play this year.

Cincinnati Coach Hal Pennington said Bruce Kombrinck will start on the mound tonight against Bridgeport's Rich Anderson. Pennington said Raible will be ready to pitch if Kombrinck gets in trouble.

Bridgeport was idle Wednesday night.

Heads Sportscasters

COLUMBUS, Ohio (AP) — Warren Johnson of WPFB radio Middletown,, was elected president of the Ohio Sportscasters Association Wednesday during the group's second annual convention. He succeeds Tom Hamlin of WHIO-TV, Dayton.

Redskins Take On Lions

Otto Hopes Jurgensen Can See Action Tonight

By ED SCHUYLER JR.
Associated Press Sports Writer

Coach Otto Graham hopes quarterback Sonny Jurgensen can play at least a quarter tonight, and the Redskins might need him against a Detroit Lions' defense that seems bent on wiping out the running game.

The National Football League contest at Washington launches a 12-game preseason schedule, which will be highlighted by a nationally televised NFL game between Minnesota and St. Louis Sunday night and climaxed Monday when NFL Philadelphia plays Boston of the American Football League.

Jurgensen, recuperating from surgery on the elbow of his throwing arm last May, has not played any this summer.

"I am not saying he definitely will play," Graham said Wednesday, "but I would like to use him if he is up to it. Maybe for a quarter or so."

Even though he is not in top form, the appearance of a passer of Jurgensen's ability could spark a punchless Washington attack which has seen kicker Charlie Gogolak account for 27 of 45 point in four games, three of which the Redskins lost.

The Detroit defensive line has yielded just six first down and an average of 58 yards rushing in three games, two of them Lion victories.

The Lions held NFL Baltimore to 28 yards on 21 carries and no first downs by rushing in a 14-7 victory last week.

But the Detroit defensive wasn't the only thing impressive in the victory over Baltimore. Quarterback Bill Munson put on quite a show also.

Munson, the ex-Los Angeles Ram who will start tonight, completed 19 of 22 passes, the last 12 in a row, for 178 yards against Baltimore in making his frst start since recovering from leg surgery.

Jim Ninowski will start at quarterback for Washington and will be backed up by Harry Theofiledes and hopefully, for the Redskins, Jurgensen.

Four trades were made in pro football Wednesday.

Detroit traded veteran receiver John Henderson to Minnesota for an undisclosed future draft choice.

The AFL San Diego Chargers sent quarterback Kay Stephenson to Buffalo of the AFL for an undisclosed draft choice.

Backs Billy Johnson and Bob Cappadonna were recalled by Boston which then sent Cappadonna to Buffalo for an undisclosed draft choice.

And St. Louis got a future draft pick from Philadelphia for rookie running back Don Fitzgerald of Kent State.

U.S. Will Send Fastest Gal Swimmers To Games

By JACK STEVENSON
Associated Press Sports Writer

LOS ANGELES (AP) — Mexico City can count on a pair of River Rats causing plenty of excitement in October when the fastest U.S. women's swimming team in history competes in the 1968 Olympic Games.

Leading the freestyle contingent are Debbie Meyer and Sue Pedersen, both students at Rio Americano High School in Sacramento.

"Our real school nickname is the Panthers, but everybody calls us the River Rats," laughed slim and pretty Debbie, who raced to her third world record of the women's Olympic trials Wednesday.

The 16-year-old not only smashed her own world record once, she did it twice, winning the finals in 9 minutes 10.4 seconds, a full 12 seconds under her official world mark.

Patty Caretto of Long Beach, Calif., was second in 9:18.5 and Pam Kruse, Fort Lauderdale, Fla., third 9:20.8.

In qualifying Debbie had clocked 9:16.4 for the metric half mile, final event on the five-day program. The 5-foot-7, 118-pound blue-eyed blonde previously had established the world's best of 2:06.7 in the 200 freestyle and 4:24.6 in the 400.

All in all, the amazing teenagers smashed seven world records of the 12 Olympic events on the program. The American record fell plus one American citizens mark.

Miss Pedersen set one of the American records with a 59.0 in the 100-meter freestyle.

Record breakers in the spirited competition at the Los Angeles Swim Stadium all were teen-agers.

Claudia Kolb, 18, of the Santa Clara, Calif., Swim Club, set two world marks and so did Catie Ball who'll celebrate her 17th birthday during the Games.

Claudia clocked 2:23.6 in the 200-meter individual medley and 5:04.7 for the 400-meter of the same race.

Miss Ball, from Jacksonville, Fla., won both backstroke events with record times of 1:14.3 and 2:38.5 for the 100 and 200 meters respectively.

Although in most cases, only the top three in each event are named to the squad, the first five in that race make it. Developments will tell who'll race in the Olympics but the team needs four for the 400-meter relay.

Thus Jane Barkman of Philadelphia and Cathy Corcione of Long Branch, N.J., get to go. Their 100-meter times of 59.63 and 1:00.45 would have won most meets.

Bengals Add 4, But Also Cut 2

CINCINNATI (AP) — Coach Paul Brown hopefully bolstered his Cincinnati Bengals by four players Wednesday and at the same time made two cuts.

Dropped were halfback Bob Burnett and linebacker Jeff Banks.

The four additions were linebacker Wayne McClure and end Micky McCarty, both from the Kansas City Chiefs; and fullback Preston Ridlehuber and end Ken Herock, both from Oakland. All were picked up on waivers.

Burnett spent the entire training season at the Wilmington camp attempting to get his knee in shape after an operation. His workout was limited.

Burnett, a two-year pro veteran, was named the AFL "rookie-of-the-year" at Buffalo in 1966 when he averaged 4.1 yards per carry.

Maimonides was Moses ben Maimon, a Jewish philosopher of the Middle Ages whose writings have been an influential force in Jewish thought and ritual.

Bucher In 21st Year

Lisbon Termed 'Young,' But Have 11 Lettermen

"This is the youngest group of players we've had at Lisbon since I've been coach here", says Edwin (Buc) Bucher, speaking of the 1968 Blue Devil football team.

And Bucher's statement takes in a lot of ground, as he is the dean of county coaches, starting his 21st year at Lisbon.

"We have a lot of good players, but I'd say the team is a year away", Bucher continues. Nevertheless he has 11 lettermen and foes respect the coach who turned a 1-9 outfit into a 9-1 team in 1967.

Randy Muntean, 170, is starting his fourth year as Lisbon quarterback. Other lettermen backs are junior Gary Simpson, 160, and senior Gary Haney, 130, at halfbacks and co-captain Bill Farmer, 198, at fullback. Other backs are sophomore Dave Ward, 165, behind Muntean, and sophomore halfbacks Rob Pike, 135, and Ed Phillips, 160.

The Blue Devils have three lettermen ends, juniors Dave McCammon, 190 and Dave Ferguson, 165 and senior Dave Blaeney, 165. Tom Krause, a 160-pound junior, is also an end. Lettermen tackles are senior Dennis Adams, 150, and junior Roger Dixon, 175. Others are juniors Bryan Cain, 240, and Wayne Kenmuir, 225. Co-captain Chuck Pastore, 165, is the only letterman guard. Others are juniors Paul Smith, 165, Mike Wilson, 160, and Tom Viets, 150, and sophomore Ed Browne, 160. Carl Steele, a 150-pound junior, is a letterman center, backed by Nick Senanefes, a 145 - pound junior.

Bucher has two new assistants, Dick Rose of Lisbon and Mt. Union, and Roger Cooley of N. Lima and Heidelberg. Gary Pike, head basketball coach, also assists.

Lisbon will use a single-T offense and a 5-3 defense with a monster man.

Bucher tabs Minerva as the team to beat in the Tri-County League, with Leetonia and Sebring challengers.

The schedule:

Sept. 6—Southern Local
Sept. 13—at Wellsville
Sept. 20—Minerva*
Sept. 27—Poland*
Oct. 4—at East Palestine*
Oct. 11—at Sebring*

Pirates Hire Shepard For 1969 Season

PITTSBURGH (AP) — The disappointing Pittsburgh Pirates, troubled by injuries and mired in the second division, rehired Larry Shepard today to manage them in 1969.

Gen. Mgr. Joe. L. Brown, who made the announcement, said, "There was never any doubt in my mind that he would be back."

The Pirates, expected to battle for the pennant, have never been in contention. They are in sixth place 19½ games behind league - leading St. Louis, as injuries have hit one regular after another.

Jim Bunning, acquired in an off-season trade and expected to be the stopper for the pitching staff, has been hurt several times and is limping along with a 4-13 record.

"We have had a lot of problems that nobody could control, injuries to key men even before the season started," Brown said. He specifically mentioned Roberto Clemente, Bunning, Gene Alley Jerry May, Willie Stargell Donn Clendenon, Tommie Sisk and Fred Patek

Clemente, the National League batting champion in 1967 for the fourth time, is batting .273, one of the lowest marks of his career. He injured a shoulder in a fall at his Puerto Rico home in February and recently he said that if he didn't improve over the winter, he would retire.

Brown said he and Shepard began to plan for next year some time ago, "talking about players in our minor league system."

"Larry brought along some of our young pitchers real well," Brown said. "With Steve Blass, Dock Ellis and Bob Moose we can build."

Before adoption of the metric system, the French had a unit of measure called the "journal." This was the area a farmer could cultivate in one day with his plow.

3 Fire 71's To Share Lead In U.S. Amateur

By HAL PARIS
Associated Press Sports Writer

COLUMBUS, Ohio (AP) — Michael Bonallack likes the greens because they remind him of home, Jack Veghte plans to attack the course and Allen Miller III is just having fun.

These three emerged as the first-round leaders in the 68th U.S. Amateur Golf Championship Wednesday after posting one-over par 71s on the tough Scioto Country Club layout.

They carried a shaky one-stroke advantage into today's second round of action over five other hopefuls and a two-shot margin over a dozen others in a closely bunched field.

The bulky list of 150 competitors was to be trimmed after today's round to the low 60 scores and ties for Friday and Saturdays final 18-hole tests.

As expected, the rugged, 6,762-yard Scioto course was the real master Wednesday, refusing to yield a single par round. At least a dozen players had shots at breaking par but faltered in the late going.

Bonallack, the 33-year-old British Amateur king from Essex, England had his troubles on the 235-yard par 3 No. 14. He hooked his drive into the left bunker, needed two to get out, chipped by the pin and two-putted for a double bogey.

Veghte, a 33-year-old insurance broker from Clearwater, Fla., was four-under through 10 holes but lost five shots in the final six holes. The biggest blow was on No. 13 when he fired into two traps and three-putted for a double bogey 6.

Miller, a 20-year-old University of Georgia junior from Pensacola, Fla., matched par on 17 holes.

Dale Morey, the North Carolina amateur king from High Point, headed a contingent of five at 72. The 49-year-old salesman was helped considerably by a hole-in-one on the 195-yard No. 17, his seventh lifetime ace.

Bill Campbell the 45-year-old Huntington, W. Va., insurance broker playing in his 25th tournament, shot a 76.

Red Sox' Santiago Through For Season

BOSTON (AP) — Disabled Jose Santiago, the early-season ace of the Boston Red Sox pitching staff, is through until next year, according to Manager Dick Williams.

Santiago has been bothered with arm trouble for a month.

"We plan on having him go home and rest," Williams said Wednesday night. "His elbow is still puffed up and he can't throw a breaking ball. He won't pitch any more this season, or in winter ball."

Trainer Buddy LeRoux said Santiago has been told to take complete rest until Dec. 1, then return to Boston for re-examination.

Yesterday's Stars

PITCHING—Rookie Jerry Nyman, White Sox, hurled a four-hitter, struck out five and allowed only two runners as far as second base as he won his first major league game, a 3-0 victory over the New York Yankees.

BATTING—Felipe Alou, Braves, stroked five hits, drove in one run and scored four, including the winning run in the second game as Atlanta swept a twi-ight doubleheader from Philadelphia 9-2 and 2-1.

The new figure established for the height of Mt. Everest is 29,028 feet. The National Geographic Society has accepted the new figure, but many mountaineering groups still hold to the traditional 29,002 feet.

Cincinnati Eyes Championship Of Connie Mack

FARMINGTON, N. M. (AP) — Cincinnati and Bridgeport, Conn., clash tonight for the championship of the Connie Mack Baseball World Series.

Cincinnati will have its ace in reserve.

Bruce Raible, who had already won two games in the series, pitched 3 1-3 innings of relief Wednesday night and got credit for a 2 - 0 victory over Nashville in the semifinals.

Raible came on after Nashville loaded the bases, and he struck out catcher Hardy Lavender to end the inning.

The 5-foot-10, 170-pound University of Cincinnati right-hander now has compiled a 19 - 0 record in Connie Mack play this year.

Cincinnati Coach Hal Pennington said Bruce Kombrinck will start on the mound tonight against Bridgeport's Rich Anderson. Pennington said Raible will be ready to pitch if Kombrinck gets in trouble.

Bridgeport was idle Wednesday night.

Heads Sportscasters

COLUMBUS, Ohio (AP) — Warren Johnson of WPFB radio Middletown,, was elected president of the Ohio Sportscasters Association Wednesday during the group's second annual convention. He succeeds Tom Hamlin of WHIO-TV, Dayton.

Dolphins Tabbed Young Team Ready To Grow Up

By MURRY CHASS
Associated Press Sports Writer

BOCA RATON, Fla. (AP) — The Miami Dolphins will go as far this year as their young players and their mile and a quarter run will take them.

The Dolphins, who won more games—seven—than any other pro football expansion team in the first two years, believe they can do even better in the American League this season, and they're counting on their training camp routine to help.

For approximately the first two weeks of practice, the Dolphins daily ran a mile and a quarter around the perimeter of their camp. It was part of a new conditioning program instituted by Coach George Wilson.

The routine also included two scrimmages a day.

"I definitely was taking a very big chance," Wilson said. "But we were lucky and didn't get any major injuries."

What the Dolphins did get, Wilson feels, is a lot of good, practical work, something that should help throughout the season.

What they got last year also helped—experience.

The Dolphins are a young team and are in the process of growing up together.

For example, quarterback Bob Griese, halfback Jack Harper, split end Jack Clancy and guard Charlie Fowler are in their second season, receivers Doug Moreau and Howard Twilley and fullback Stan Mitchell are in their third and tackles Maxie Williams and Norm Evans are in their fourth.

Then there's rookie Larry Csonka, who's forcing Mitchell out of a job. Csonka is a 235-pound brute from Syracuse who looks as if he soon will be as dangerous a runner as Jim Nance and Hople Granger.

If he comes anywhere near that level, he'll make a good companion for Griese in Miami's attack.

The quarterback took over early last season when John Stofa broke his ankle and improved with each game. He finished as the league's fifth best passer statistically, completing 50 per cent of his passes.

Paralleling Griese's progress was his favorite receiver, Clancy. The All-American from Michigan was third in receiving with 67 catches.

Equally impressive were the records of a pair of defensive backs, Jimmy Warren and Dick Westmoreland. Warren didn't miss a defensive play all season while Westmoreland missed just one and also tied for the league lead in interceptions with 10.

They're back this year, but Tom Beier isn't. Beier, in his second year, was slated to start at safety, but the Army got to him first and wants him for the season. That leaves either veteran Bob Petrella or rookie Dick Anderson from Colorado to start with Willie West.

Two of the linebackers will be John Bramlett and Frank Emanuel while the third could be Randall Edmunds, a good-looking rookie from Georgia Tech.

The line has Mel Branch and Jim Riley at ends and John Richardson and Ray Jacobs at tackles.

The Dolphins are a young team and are in the process of growing up together.

For example, quarterback Bob Griese, halfback Jack Harper, split end Jack Clancy and guard Charlie Fowler are in their second season, receivers Doug Moreau and Howard Twilley and fullback Stan Mitchell are in their third and tackles Maxie Williams and Norm Evans are in their fourth.

Then there's rookie Larry Csonka, who's forcing Mitchell out of a job. Csonka is a 235-pound brute from Syracuse who looks as if he soon will be as dangerous a runner as Jim Nance and Hople Granger.

If he comes anywhere near that level, he'll make a good companion for Griese in Miami's attack.

The quarterback took over early last season when John Stofa broke his ankle and improved with each game. He finished as the league's fifth best passer statistically, completing 50 per cent of his passes.

Paralleling Griese's progress was his favorite receiver, Clancy. The All-American from Michigan was third in receiving with 67 catches.

Equally impressive were the records of a pair of defensive backs, Jimmy Warren and Dick Westmoreland. Warren didn't miss a defensive play all season while Westmoreland missed just one and also tied for the league lead in interceptions with 10.

They're back this year, but Tom Beier isn't. Beier, in his second year, was slated to start at safety, but the Army got to him first and wants him for the season. That leaves either veteran Bob Petrella or rookie Dick Anderson from Colorado to start with Willie West.

Two of the linebackers will be John Bramlett and Frank Emanuel while the third could be Randall Edmunds, a good-looking rookie from Georgia Tech.

The line has Mel Branch and Jim Riley at ends and John Richardson and Ray Jacobs at tackles.

ACCIDENT PROTECTION
for You and Your Family...

As a subscriber to this newspaper your family is entitled to a special reader service . . . an outstanding ACCIDENT PROTECTION POLICY designed to help you guard against the high cost of unexpected accidents.

It's true . . . your family is protected 24 hours a day, at home . . . at work . . . at play! Benefits are paid over and above any other protection you may carry. Yet, this remarkable coverage costs only 10c A WEEK per policy!

WHO IS ELIGIBLE FOR A POLICY? Anyone between the ages of 1 and 90 years, inclusive—except persons that have lost both hands or both feet or the sight of both eyes. There is no physical examination. Benefits reduced ½ under 7 years and over 70 years.

HOW ABOUT ACCIDENTS AT WORK? . . . This policy covers accidents at work including such hazardous occupations as policemen, firemen, window washers, electric linemen, etc.

HOW DO I GET A POLICY? Fill out an application blank and pay the registration fee of 25c (payable only once, with the application). Then pay the weekly premium of 10c thereafter.

WHEN DOES THE INSURANCE BEGIN? . . . . . When your application is accepted, you will receive a policy in about 10 days, effective from 12:00 o'clock noon of the day it is dated.

Stockholders Okay Merger Of Companies

DAYTON, Ohio (AP)—Stockholders of the Dayton - based Mead Corp. and the Woodward Corp. of Birmingham, Ala., approved Wednesday the merger of the two firms. Woodward producer of pipes and fittings, will operate as a division of Mead, manufacturer of paper and paper products.

Under the merger, nine-tenths of a share of new series $2.80 Mead voting preferred stock was exchanged for each share of the two firms. Woodward, change of stock left the firms with joint assets of $700 million.

Wittenberg U. Heads To Take Juniata Post

SPRINGFIELD, Ohio (AP)—Dr. John N. Stauffer, Wittenberg University's ninth president, left the university today for Huntington, Pa., where he will become president of his alma mater, Juniata College, on Sept. 1.

Dr. Stauffer has been associated with Wittenberg for 21 years, the past five years as president.

LEGAL NOTICE

LEGAL NOTICE

Frederick George Owesney and William Thomas Owesney, whose places of residence are unknown and cannot with reasonable diligence be ascertained, and the unknown heirs, executors, administrators, devisees, legatees and assigns of both of them will take notice that on May 17, 1968, the Plaintiff, Vincent C. Judge, County Treasurer of Columbiana County, Ohio, filed his Amended Petition against them in the Court of Common Pleas of Columbiana County, Ohio, being Case No. 52193 in said Court, for the enforcement of delinquent tax lien, pursuant to Section 5721.18 of the Revised Code of Ohio, and for the sale of certain real estate in said Petition described, to wit:

Situated in the Township of Yellow Creek, County of Columbiana and State of Ohio and known as and being all the coal and clay under that part of the Southwest Quarter of Section 21, Township 9, Range 2, which is more fully described as beginning at the southwest corner of said Section and running thence East 19.98 chains to a point; thence North 2,638 feet to a point; thence West 19.89 chains to a point; thence South 40.035 chains to the place of beginning and containing 79.56 acres be the same more or less.

And being the same premises conveyed to Fred G. Owesney by Sheriff's Deed dated August 11, 1950, and recorded October 27, 1954, in Volume 913, Page 201, of the Deed Records of Columbiana County Ohio, excepting and reserving therefrom an oil and gas lease to R. Stewart Falconer, dated April 3, 1908 and recorded May 25, 1908, in Vol. 12, Page 32, Columbiana County Lease Records, and another oil and gas lease to Jay S. Paisley dated August 10 1898 and recorded August 13, 1908, in Vol. 12, page 157, Columbiana County Lease Records.

Excepting and reserving therefrom all the coal and clay below the No. 6 Vein of coal in and under said premises, which was conveyed to H. K. Porter Company, Inc. by Warranty Deed dated May 8, 1956, and recorded May 29, 1956, in Volume 959, Page 612 of the Deed Records of Columbiana County, Ohio.

The prayer of said Petition is for the sale of said real estate for the payment of taxes, assessments, interest penalties, charges and fees as are found due and unpaid. Said Defendants and their unknown heirs, devisees, legatees, administrators, executors and assigns are required to answer said Petition on September 23, 1968, or the prayer of the Petition will be granted.

ANNOUNCEMENTS

2 IN MEMORIAM

In memory of Ida J. Edmundson who passed away one year ago today, Aug. 29. One sad year since you left us, whom we all loved and cherished. How can we but feel lonely, when our dear mother is not here. Memories are like threads of gold, never tarnish or grow old. To some she may be forgotten but to us we still see her smiling face. God has her in his keeping. We have her in our hearts. Sadly missed by Dad and family.

IN loving memory of Sgt. Francis Dean Grahek who passed away on August 29, 1958. Please God hold your arms around him, Keep him in your loving care, Make up for all he suffered, And anything that was unfair, To all of you who have brothers, Cherish them with care, For you will never know the heartache, Until you find he isn't there.
Sadly missed by the Graheks.

In Loving Memory of Betty Jayne Ruckman Goodwin who passed away 8 years ago the 29th of August.
Although your soul is now at rest,
And free from care and pain,
The world would seem like heaven
if we had you back again.
The years may wipe out many things,
But this they wipe out never.
The memory of those happy days,
When we were all together.
Sadly missed by — Mother, Brother and Nieces.

3 CARD OF THANKS

OUR deepest and sincere thanks to all of the many wonderful friends and relatives who offered sympathy and floral offerings during our recent bereavement. We also would like to thank our kind neighbors, the nursing staff on 3 North, City Hospital, Dr. O'Brien and Dr. Wolpert, Rev. Estel and the Dawson Funeral Home.

LEGAL NOTICE

LEGAL NOTICE

Frederick George Owesney and William Thomas Owesney, whose places of residence are unknown and cannot with reasonable diligence be ascertained, and the unknown heirs, executors, administrators, devisees, legatees and assigns of both of them will take notice that on May 17, 1968, the Plaintiff, Vincent C. Judge, County Treasurer of Columbiana County, Ohio, filed his Amended Petition against them in the Court of Common Pleas of Columbiana County, Ohio, being Case No. 52193 in said Court, for the enforcement of delinquent tax lien, pursuant to Section 5721.18 of the Revised Code of Ohio, and for the sale of certain real estate in said Petition described, to wit:

Situated in the Township of Yellow Creek, County of Columbiana and State of Ohio and known as and being all the coal and clay under that part of the Southwest Quarter of Section 21, Township 9, Range 2, which is more fully described as beginning at the southwest corner of said Section and running thence East 19.98 chains to a point; thence North 2.638 feet to a point; thence West 19.89 chains to a point; thence South 40.035 chains to the place of beginning and containing 79.56 acres be the same more or less.

And being the same premises conveyed to Fred G. Owesney by Sheriff's Deed dated August 11, 1950, and recorded October 27, 1954, in Volume 913, Page 201, of the Deed Records of Columbiana County Ohio, excepting and reserving therefrom an oil and gas lease to R. Stewart Falconer, dated April 3, 1908 and recorded May 25, 1908, in Vol. 12, Page 32, Columbiana County Lease Records, and another oil and gas lease to Jay S. Paisley dated August 10 1898 and recorded August 13, 1908, in Vol. 12, page 157, Columbiana County Lease Records.

Excepting and reserving therefrom all the coal and clay below the No. 6 Vein of coal in and under said premises, which was conveyed to H. K. Porter Company, Inc. by Warranty Deed dated May 8, 1956, and recorded May 29, 1956, in Volume 959, Page 612 of the Deed Records of Columbiana County, Ohio.

The prayer of said Petition is for the sale of said real estate for the payment of taxes, assessments, interest penalties, charges and fees as are found due and unpaid. Said Defendants and their unknown heirs, devisees, legatees, administrators, executors and assigns are required to answer said Petition on September 23, 1968, or the prayer of the Petition will be granted.

ANNOUNCEMENTS

2 IN MEMORIAM

In memory of Ida J. Edmundson who passed away one year ago today, Aug. 29. One sad year since you left us, whom we all loved and cherished. How can we but feel lonely, when our dear mother is not here. Memories are like threads of gold, never tarnish or grow old. To some she may be forgotten but to us we still see her smiling face. God has her in his keeping. We have her in our hearts. Sadly missed by Dad and family.

IN loving memory of Sgt. Francis Dean Grahek who passed away on August 29, 1958. Please God hold your arms around him, Keep him in your loving care, Make up for all he suffered, And anything that was unfair, To all of you who have brothers, Cherish them with care, For you will never know the heartache, Until you find he isn't there.
Sadly missed by the Graheks.

In Loving Memory of Betty Jayne Ruckman Goodwin who passed away 8 years ago the 29th of August.
Although your soul is now at rest,
And free from care and pain,
The world would seem like heaven
if we had you back again.
The years may wipe out many things,
But this they wipe out never.
The memory of those happy days,
When we were all together.
Sadly missed by — Mother, Brother and Nieces.

3 CARD OF THANKS

OUR deepest and sincere thanks to all of the many wonderful friends and relatives who offered sympathy and floral offerings during our recent bereavement. We also would like to thank our kind neighbors, the nursing staff on 3 North, City Hospital, Dr. O'Brien and Dr. Wolpert, Rev. Estel and the Dawson Funeral Home.

DOUBLE HOUSE. 1900 Mich. Ave.—This is a nice home which will pay for itself once you get started. Five rooms and bath on either side, wall to wall carpeting on owner's side, divided basements, new gas furnaces, two bedrooms on either side, double garage and nice yard at the rear. All this for just $9,500 too!

1000 BLOCK OF PENN AVE. —Good convenient location on the bus line, and an older home newly painted outside, newly papered on the inside, two bedrooms and bath upstairs, small lot, but the price is only $1,700—good for a start, or investment to rent out.

1004 CHURCH ST. — West End location, unobstructed view of the freeway, three bedrooms, nice clean home, the best of care throughout, semi bath on first floor, extra nice basement and laundry. This place is a little too large for the two people who now live there so they are only asking $6,500.

Junior Editors Quiz on DANDELIONS

QUESTION: *How did dandelions get their name?*

* * * *

ANSWER: Many people regard dandelions as a pest, spoiling the neat perfection of lawns; one must cut the root deep underground to prevent it coming up again or spray the plants with a chemical. Yet dandelions are really interesting and attractive plants. The origin of the name will probably surprise you. It comes from the French dent-de-lion, meaning lion's tooth. Compare a real lion's teeth with a dandelion's leaf (look at our upper picture) and you will see how closely the plant's leaf lobes resemble lions' teeth. In the spring, before the plant has blossomed, young dandelion leaves are very good to eat, either cooked or in a salad. One can have a lot of fun with dandelions. Cut a section of the hollow stem of a flower head, pinch the end, blow into it, and you get dandelion "music." Split the stem, put it in water and it will make dandelion curls. Examine the flower heads after they've gone to seed and see one of the most beautiful things in nature. Pick out a seed and see it drift away on its own parachute and wonder at the miraculous things nature has to show us.

(Victoria Bohara of Norwich, Conn., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize.)

Today In History

By The Associated Press

Today is Thursday, Aug. 29, the 242nd day of 1968. There are 124 days left in the year.

Today's highlight in history:

On this date in 1782, an English man-of-war, the Royal George, capsized and sank while being repaired in the harbor at Portsmouth, England. Nearly 1,100 persons drowned.

In 1778, American troops were victorious at the Revolutionary War Battle of Quaker Hill, R.I.

In 1831, the Australian city of Melbourne was founded.

In 1935, Queen Astrid of Belgium was killed in an auto accident in Switzerland.

In 1948, the presidential candidate of the Progressive party, Henry A. Wallace, was heckled and pelted with eggs in Durham, N.C.

In 1957, a civil rights bill was passed after a long filibuster in the U.S. Senate. It was the first civil rights bill since Reconstruction.

Ten years ago: The Soviets said they had safely recovered two dogs after shooting them in a rocket to an altitude of 281 miles.

Five years ago: Pope Paul VI opened the second session of the Ecumenical Council at the Vatican.
